Declaration of Sallie S. Schools

**DECLARATION OF SALLIE S. SCHOOLS**  
**PURSUANT TO 28 U.S.C. § 1746**

1. I am over 18 years old, and am employed by the Federal Trade Commission (“Commission” or “FTC”) as an investigator in the Division of Advertising Practices, Bureau of Consumer Protection. My business address is FTC Headquarters Satellite Building, 601 New Jersey Avenue, NW, Washington, DC 20580.
2. As an investigator, my duties include monitoring and investigating persons or companies who are suspected of engaging in unfair or deceptive acts or practices in violation of the FTC Act and any other laws or rules that the FTC enforces. In the course of my duties, I participated in an investigation of defendants Circa Direct LLC (“Circa Direct”) and Andrew Davidson (“Davidson”). In the course of this investigation, I have acquired personal knowledge and information about the facts stated herein, and, if called upon as a witness, could and would testify competently to them. I also serve as the custodian of documents and records in connection with this investigation.

**Website Domains Registered By Andrew Davidson: NameCheap Records**

3. I reviewed documents produced to the FTC by NameCheap Inc. (“NameCheap”), an internet domain name registration company, in response

to a Civil Investigative Demand (“CID”). These documents (“NameCheap Records”), are appended to the Declaration of NameCheap’s record custodian, Sergio Hernandez. **(PX 2, Atts. A and B, FTC-000036-37, FTC-000038-149, FTC-000150-246.)**

4. In reviewing the NameCheap Records, I found that only one person, Davidson, had used NameCheap to register each domain name listed therein, including [circadirect.com](http://circadirect.com), [clkrd.com](http://clkrd.com), [daily-job-news.com](http://daily-job-news.com), [onlinenews6.com](http://onlinenews6.com), [online6reports.com](http://online6reports.com), [newsdaily7.net](http://newsdaily7.net), [roiserver.com](http://roiserver.com), [memphisc Gazette.net](http://memphisc Gazette.net), [online8report.com](http://online8report.com), [channel8health.com](http://channel8health.com), [online6health.com](http://online6health.com), [chan7reports.com](http://chan7reports.com), and [dailyhealth6.com](http://dailyhealth6.com) (“Davidson websites”). The NameCheap records identified the account information for Davidson as:

Username: drewjd2k  
Name: Andrew Davidson  
Drewjd2k@gmail.com  
209 N. Essex Ave.  
Margate, NJ 08402  
Phone: (609) 233-8360

NameCheap registered Davidson’s account on March 5, 2008. **(PX 2 Att. A at FTC-000039, PX 2 Att. B at FTC-000151.)** Davidson registered a total of 144 distinct domain names through NameCheap.

5. I summarized the registration information from the NameCheap Records received by the FTC for the Davidson websites discussed in this declaration

**Ad Network Publishers: Dissemination of Davidson Websites Through Pulse 360, Inc.**

6. As part of my investigation, I received, reviewed and summarized voluminous data produced by Pulse 360, Inc. (“Pulse 360”), a company that provides online advertising services for online advertisers and publishers, in response to a CID issued by the Commission. **(See PX 3, Pulse 360/Cronberger Declaration, FTC-000247-51).**
7. In particular, I reviewed data compilations in the form of electronic spreadsheets that summarized account advertising information about certain of Pulse 360’s advertisers, including Circa Direct, for which Davidson was listed as the contact. Pulse 360 had provided these spreadsheets (“account advertising spreadsheets”) to the Commission on or about October 4, 2010 and March 4, 2011, the latter of which included updated information. **(See PX 3, Pulse 360/Cronberger Declaration, FTC-000247-51).**

8. To assist in reviewing and summarizing data in Pulse 360's advertising billing spreadsheets regarding Circa Direct, I extracted the data regarding Circa Direct from the spreadsheets to separate it out from the other advertisers listed therein. I also compared the data from the October 4, 2010 and March 4, 2011 spreadsheets to identify and remove any overlapping data regarding Circa Direct. I then analyzed and summarized the Circa Direct data as follows:

- a. **Number of impressions:** As set forth in the Pulse 360 Declaration, the account advertising spreadsheets listed the number of impressions potentially viewed by consumers through the Pulse 360 advertising network for each advertisement that was posted on a Davidson website(s). For the time period November 9, 2008 to December 1, 2010, the account advertising spreadsheets show that Circa Direct disseminated more than 11,198,460,170 impressions of advertisements through the Pulse 360 advertising network.
- b. **Number of click-throughs:** As set forth in the Pulse 360 Declaration, the account advertising spreadsheets listed the number of times that consumers clicked through each advertisement and were directed to the click URL to reach Davidson websites. For the period

November 9, 2008 to December 1, 2010, the account advertising spreadsheets show 6,408,372 click-throughs by consumers to Davidson websites through the Pulse 360 advertising network.

c. **Advertising costs:** As set forth in the Pulse 360 Declaration, the account advertising spreadsheets indicated the revenue received by Pulse 360 from Circa Direct on a cost-per-click basis. For the period November 9, 2008 to December 1, 2010, the account advertising spreadsheets show that Pulse 360 received \$6,255,322.66 in revenue from Circa Direct for online advertising services.

d. **Davidson websites as landing pages:** The account advertising spreadsheets identified various websites (landing pages) where consumers who clicked on the placed advertisement were directed. Websites identified in the Pulse 360 records as landing pages for Circa Direct advertisements for products, programs and services include daily-job-news.com, newsdaily7.net, and memphisgazette.net, all of which are Davidson websites.

9. Pulse 360's response to the CID also included copies of email exchanges between Pulse 360 personnel and Davidson through the email address drewjd2k@gmail.com. (PX 3, ¶ 5, FTC-000250, and Attachment A, FTC-

**000252-61.)** In one of these emails, Davidson provided a link to the web page at [circadirect.com/tags/pulse-cpm/htm](http://circadirect.com/tags/pulse-cpm/htm) to a Pulse 360 employee. (PX 3, FTC-000253.) As noted above, [circadirect.com](http://circadirect.com) is a Davidson website.

10. On or around March 10, 2011, I visited the web page at [circadirect.com/tags/pulse-cpm/htm](http://circadirect.com/tags/pulse-cpm/htm). This webpage consisted of a series of banner advertisements, described below at paragraph 20. I captured the contents of the webpage, and subsequent pages that I viewed, and have appended a true and correct PDF copy of these webpages as **Schools Attachment A, FTC-000430 to FTC-000482.**

### **Website Captures**

11. As part of my investigation, I made electronic copies of the contents of various websites (“website captures”) from a computer in the internet lab at the FTC headquarters satellite office building in Washington, D.C. I then converted the contents of the websites and the hyperlinked products featured therein to PDF files using the Adobe Acrobat (“Adobe”) software program. The conversion to PDF process includes any JPEG images, text files, and image maps, as well as other associated files from the original web page.
12. As part of my investigation, I also made video copies of my visits to certain websites through a screen capture program called Camtasia. The FTC has

lodged with the Clerk of the Court, simultaneously with the filing of this Declaration, a CD containing a true and correct copy of the Camtasia video recordings.

**A. Superpages.com**

13. On or around January 14, 2011, I accessed the publicly available website superpages.com. I recorded my visit to this website as a video file through the Camtasia screen capture program described above. I appended a true and correct copy of this video file in CD form as **Schools Attachment B**.
14. As shown on the attached video file, after arriving at superpages.com, I entered the term “hotels Beverly Hills CA” using the website’s search engine. When the website displayed the search results, a banner ad appeared at the bottom of the web page, depicting a person squeezing his or her exposed belly and stating:

1 Trick of a tiny belly:  
Cut down a bit of your belly every  
day by using this 1 weird old tip.

**(Schools Att. B.)** When I hovered my cursor over the banner ad a link to the URL <http://ads.roiserver.com> (a Davidson website, as described above) appeared in the status bar of the browser at the bottom of the page.

15. When I clicked on the “1 Trick of a tiny belly” banner ad discussed in the preceding paragraph, I was transferred to the web page <http://www.online6health.com/HEALTH/Acai-Berry/index.php> (also a Davidson website, as described above). I captured the contents of this webpage and have appended a true and correct PDF copy of the webpage as **Schools Attachment C, FTC-000484 to FTC-000490**. This webpage displayed an article entitled, “1 Trick of A Tiny Belly: Reporter Loses Her “Belly” Using 1 Easy Tip.” (**Schools Att. B, Schools Att. C at FTC-000485**.) The article discussed two products, LeanSpa Acai and South Beach Java, and contained several hyperlinks for each product. When I attempted to close the page, a pop-up appeared that included the phrase “IMPORTANT: Are you sure you don’t want to take advantage of the LeanSpa Acai and PureLife Cleanse Free Trial?” I clicked “OK” and another pop-up appeared stating “Are you sure you want to navigate away from this page? Click “Cancel” below to reconsider.” I clicked “Cancel” and was directed to another page at <http://www.online6health.com/HEALTH/Acai-Berry/exit.php> that contained hyperlinks for the LeanSpa Acai and South Beach Java products (“LeanSpa Acai hyperlink” and “South Beach Java hyperlink”).

16. When I clicked the LeanSpa Acai hyperlink discussed in Paragraph 15 above, I was transferred to the website getleanspa.com. I captured the contents of this webpage on February 25, 2011 and have appended a true and correct PDF copy of the webpage as **Schools Attachment D, FTC-000490 to FTC-000493**. This “getleanspa” website promoted a “free-trial” for a product called LeanSpa with Acai. I subsequently clicked on the South Beach Java hyperlink described in the preceding paragraph and was connected to the website southbeachjava.com. I captured the contents of this webpage on March 11, 2011, and have appended a true and correct PDF copy of the webpage as **Schools Attachment E, FTC-000494 to FTC-000497**. This website similarly offered a free trial for the South Beach Java product.

**B. Work-At-Home Landing Pages**

17. On or around January 25, 2011 I accessed the publicly available website daily-job-news.com, a Davidson website as described above that Davidson disseminated, at least in part, through the Pulse 360 network. (See Paragraph 8 above.) Upon visiting this website, I was immediately re-directed to a web page at online8report.com (also a Davidson website). The online8report.com website displayed an article entitled

New Jersey JOB REPORT  
Work At Home Mom Makes \$6,795/Month Part-Time

and included several hyperlinks to the Home Income Wealth System. I clicked on one of the hyperlinks and was directed to the website <https://www.theinstantwealthbuilder.com/>. I captured the contents of the [online8report.com](https://www.theinstantwealthbuilder.com/) and [instantwealthbuilder.com](https://www.theinstantwealthbuilder.com/) webpages and have appended a true and correct PDF copy of the webpages as **Schools Attachment F, FTC-000498 to FTC-000505.**

18. On or about February 25, 2011, I accessed the publicly available website [newsdaily7.net](http://newsdaily7.net), which is a website that Davidson disseminated, at least in part, through the Pulse 360 network. (See Paragraph 8 above.) I captured the contents of the [newsdaily7.net](http://newsdaily7.net) webpage and have appended a true and correct PDF copy of the webpage as **Schools Attachment G, FTC-000506 to FTC-000512.** This website displayed an article entitled:

New Jersey JOB REPORT  
Work At Home Mom Makes \$6,795/Month Part-Time

The [newsdaily7.net](http://newsdaily7.net) webpage included several links to the Home Income Profit System.

**C. Surplus Auction Landing Page**

19. On or about February 25, 2011, I accessed the publicly available website

memphisc Gazette.net, which is also a Davidson website that Davidson disseminated, at least in part, through the Pulse 360 network. (See Paragraph 8 above.) I captured the contents of the memphisc Gazette.net webpage and have appended a true and correct PDF copy of the webpage as **Schools Attachment H, FTC-000513 to FTC-000517**. The memphisc Gazette.net website displayed an article entitled

BREAKING NEWS: Exclusive: Massive Savings “Trick” discovered. Surplus Auctions Exposed: 95% Off Retail Possible?

This article discussed SwipeBids, a surplus auction site, and contained several links to SwipeBids.

**D. Banner Advertisements**

1. Banner Advertisements Contained in Davidson Email to Pulse 360
20. As noted above at Paragraphs 9 and 10, an email that Davidson sent to a Pulse 360 employee contained a link to a webpage that contained eight different banner ads promoting acai berry, tooth whitening, or work at home products. **(FTC-000431-3.)** Three of these banner ads promoted acai berry products (“Acai Berry Banner Ads”), another three promoted work-at-home programs (“Work-At-Home Banner Ads”), and the remaining two promoted teeth whitening products (“Teeth Whitening Banner Ads”).

- a. Two of the Acai Berry Banner Ads that I discuss in the preceding subparagraph depicted a female news reporter and stated:

Acai Berry EXPOSED  
(Consumer Report)  
Washington Warning! Health Reporter  
Discovers the Shocking Truth!

- b. The third Acai Berry Banner Ad depicted a basket of berries and stated:

Acai Berry EXPOSED:  
Washington  
Washington Warning: Health  
Reporter Discovers The  
Shocking Truth!

- c. When I clicked on each of the Acai Berry Banner Ads, I was linked to the website dailyhealth6.com (a Davidson website, as described above). This website contained alternating versions of a news article that discussed different brands of acai berry products. Each of these articles began with the headline, “1 Trick of A Tiny Belly: Reporter Loses Her ‘Belly’ Using 1 Easy Tip” and were substantially similar in content to the article discussed in paragraph 15. (FTC-000434, 446, 455.)

- i. One version of the Acai Berry article, located at

[www.dailyhealth6.com/HEALTH/HCA-Diet/index.php](http://www.dailyhealth6.com/HEALTH/HCA-Diet/index.php)

discussed two products, LeanSpa with Pure HCA and LeanSpa Cleanse, and contained several hyperlinks for each product.

**(FTC-000434-9.)** When I clicked on these hyperlinks for LeanSpa with Pure HCA and LeanSpa Cleanse, I was directed to a website that sold the products. **(FTC-000440-5.)**

ii. Another version of the Acai Berry article discussed two different products, UltraBerry Slim and ColoThin, and contained several hyperlinks for each product. **(FTC-000446-50.)** When I clicked on the hyperlinks for UltraBerry Slim and ColoThin, a website selling one of the products appeared. **(FTC-000451-4.)**

iii. A third version of the Acai Berry article discussed in Paragraph 15 above discussed two different products, TrimSport Acai and PureCleanse 360, and contained several hyperlinks for each product. **(FTC-000455-9.)** When I clicked on the hyperlinks for TrimSport Acai and PureCleanse 360, a website selling one of the products appeared. **(FTC-000460-5.)**

d. The three Work-At-Home Banner Ads depicted either a woman sitting at a desk or a news reporter and stated:

Washington Mom  
Makes \$77/hr Online!  
Unemployed Mom Makes \$6,397/Month  
Working Online! Read How She Did It.

(FTC-000431-2.) Clicking on these banner ads linked me to [chan7reports.com/FINANCE/Job-Report/index.php](http://chan7reports.com/FINANCE/Job-Report/index.php) (a Davidson website, as described above). (FTC-000466-71.) This web page contained an article entitled “EXPOSED: New Jersey Mom Makes \$8,000/Month and You Won’t Believe How She Does It!” This article discussed a course from millionaire author Robert Allen called Multiple Streams Of Income and contained hyperlinks to sign up for the course.

- e. The two Teeth Whitening Banner Ads both directed me to a web page on [dailyhealth6.com](http://dailyhealth6.com) (a Davidson website, as described above). This web page contained an article entitled:

Don’t Break the Bank: A Mom’s Trick to Whiter Teeth:  
Amidst the second worst recession in United States  
history, thrifty consumers are turning to the internet to  
take advantage of special offers.

This article discussed the benefits of using two teeth-whitening products named Pür Whitening Tray Kit and Vibrant Smile Pen together and contained several hyperlinks for these two products.

(FTC-000472-7.) I then clicked on the hyperlinks for Pür Whitening Tray Kit and Vibrant Smile Pen, each of which lead me to a different website selling one of the products. (FTC-000478-82.)

2. Los Angeles Times Banner Ads

21. On or around March 11, 2011, I visited the Los Angeles Times web site at latimes.com. I accessed a page that displayed banner ads similar to the ones I describe in paragraph 20, including the Acai Berry Banner Ad portraying a person squeezing his or her belly (“Belly Fat Banner Ad”). A true and correct copy of a recorded video file of one of my visits to this website and subsequent web pages I discuss in this paragraph is attached as **Schools Attachment I**, and a true and correct PDF copy of the captured web pages are attached as **Schools Attachment J, FTC-000519 to FTC-000542**.

When I hovered my cursor over each of the banner ads a link to the URL http://ads.roiserver.com (a Davidson website) appeared in the status bar at the bottom of the browser.

22. When I clicked on the Belly Fat Banner Ad, I was immediately directed to a web page at dailyhealth6.com/HEALTH/HCA-Diet/index.php. This page contained an article that appeared substantially similar to the article described in paragraph 15. This article discussed two products, LeanSpa

with Pure HCA and LeanSpa Cleanse, and contained several hyperlinks to both products. **(Schools Att. I, Schools Att. J, FTC-000521-5.)** I then clicked on the hyperlinks for LeanSpa with Pure HCA and LeanSpa Cleanse. The LeanSpa with Pure HCA hyperlink that I clicked led to the website tryleanspa.com, which promoted a “free-trial” for a product called LeanSpa with HCA that had packaging that appeared to be substantially identical to the LeanSpa Acai product referenced in paragraph 16. **(Schools Att. I, Schools Att. J, FTC-000526-8.)** The LeanSpa Cleanse hyperlink that I clicked led to the website leanspacleanse.com, which similarly offered a free trial for the LeanSpa Cleanse product. **(Schools Att. I, Schools Att. J, FTC-000529-31.)**

23. On other occasions when I clicked on the Belly Fat Banner Ad that appeared on the latimes.com website substantially similar versions of the article discussed in Paragraph 15 appeared. The ad’s content varied slightly to promote other Acai Berry products.
24. The latimes.com website also contained a Work-At-Home Banner Ad similar to those discussed in Paragraph 20. This banner ad stated:

Piscataway Mom Makes \$84/hour  
We Investigated How She Makes \$8000/Month. You Won’t Believe How....

When I clicked on this Work-At-Home Banner Ad, I was directed to the web page: <http://chan7reports.com/FINANCE/Job-Report/index.php> (a Davidson website.) This web page I was directed to contained an article titled “EXPOSED: New Jersey Mom Makes \$8,000/Month And You Won’t Believe How She Does It!” The article discussed Robert Allen’s Multiple Streams of Income Course and contained hyperlinks for this program. When I clicked on one of these hyperlinks I was then directed to a website to register for the Robert Allen home study course. **(Schools Att. I, Schools Att. J, FTC-000532-42.)**

3. Banner Ad at thefreedictionary.com Website

25. On or around March 31, 2011, I visited the publicly available website at [thefreedictionary.com](http://thefreedictionary.com) and observed a banner advertisement similar to the one I discuss in paragraph 14. When I hovered my cursor over the ad a link to the URL <http://ads.roiserver.com> (a Davidson website) appeared in the status bar of the browser at the bottom of the page. I clicked on this banner ad and was redirected to a web page at <http://dailyhealth6.com/HEALTH/Acai-Berry-Diet/index.php> (a Davidson website) that displayed an article that was substantially similar to the article I describe in paragraph 15. This article discussed two products, Acai

UltraBerry and ColoThin, and contained several hyperlinks for each product.

I closed out the pages and clicked on the banner ad again. This time I was redirected to a substantially similar web page at

<http://www.dailyhealth6.com/HEALTH/Acai-Diet/index.php>. This article

discussed two products, SuperAcai 1200 and Complex Cleanse, and

contained several hyperlinks for each product.

### **Format of Comments on Actual News Websites**

26. As part of my investigation, I visited the websites of several news organizations. The news articles on these sites often included comments that readers had posted on the site. The comments typically appeared below the text of the article, although in the case of Fox News, I reached the comments by clicking on a hyperlink. I have attached true and accurate PDF copies of webpages as they appeared on April 13, 2011 containing comments from The (Philadelphia) Inquirer, The (Newark) Star-Ledger, The Washington Post, and Fox News at **Schools Attachment K, FTC-000543 to FTC-000559.**

### **Identical Comments Repeated On Various Websites**

27. The Davidson “news” websites that advertise or have advertised weight loss products, as captured and identified above in paragraphs 15, 20, and 22 contain nearly identical “comments” from purported consumers.
28. In particular, I compared the “Comments” section from the following Circa Direct webpages:
- a. **FTC-000523-4** (2011-03-11 dailyhealth6 from latimes belly fat banner) (Lean Spa with Pure HCA and LeanSpa Cleanse)
  - b. **FTC-000457-8** (2011-03-10 dailyhealth6 trimsport acai.pdf) (TrimSport Acai and PureCleanse 360)
  - c. **FTC-000448-9** (2011-03-10 dailyhealth6 ultraberry slim.pdf) (UltraBerry Slim and ColoThin)
  - d. **FTC-000436-7** (2011-03-10 dailyhealth6.pdf) (LeanSpa with Pure HCA and LeanSpa Cleanse)
  - e. **FTC-000487-8** (2011-01-14 Online 6 Health News - Diet Trends\_ A look at America's Top Diets.pdf) (LeanSpa Acai and South Beach Java)
29. Each of the Comments sections from the five webpages identified in the preceding paragraph contained the following similarities:

- a. Each Comments section purports to list “10 of 177” responses from the immediately preceding “report.”
- b. Each Comments section purports to list comments from the following ten persons, always in the following order: Diane, Michelle, Jen, Stephen, Julia/Julie (apparently referring to the report’s author), Davis, Damo, Amy, James, and Wanda.
- c. The content of each individual commenter is virtually identical across the various websites, with only the product name changing.
  - i. For example, the first commenter in each website, Diane, invariably states:

My friends and I have all been waiting for the acai diet [or hca diet, or hca cleanse diet] to hit the news. Atleast 5 of us have all done the diet (costing us upwards of \$300+) and we all lost a bunch of weight. This stuff truley is incredible and has changed all of our lives. Good luck to everyone who takes advantage of this wonderful opportunity

- ii. Similarly, the seventh commenter on each website, Damo, always states:

I’ve been struggling my whole life with my weight and I really hope this is the answer. I’ve gone ahead and ordered the free trials and signed up to the gym aswell. I really hope to lose atleast 50 pounds

30. Commonalities in comments also occur on Davidson websites promoting other products, services, and programs. For example, the phrase “this stuff truley is incredible,” included in a post by “Diane” as noted above, also appears in the Comments section of Davidson’s Surplus Auction website discussed above. **(FTC-000516.)** Similarly, the comment “This is amazing! I wish I knew about this 5 years ago,” from “Davis” appears on many of Davidson’s Work-At-Home and Teeth Whitening websites. **(FTC-000503, 511, 476.)**
31. The typographical and spelling errors of the individual comments also repeat across the different websites. For example, the comment from Diane, quoted above, always contains the errors “Atleast” and “truley”. Similarly, the comment from Damo always contains the errors “aswell” and “atleast”.
32. Comments substantially identical to those found on the Circa Direct weight loss webpages also appear on other news-format webpages, *not* known to be affiliated with Davidson, promoting a variety of products. On or around April 14, 2011, I performed a search on the Google search engine for the phrase “this stuff truley” (as referenced in the comment attributed to Diane in the Circa Direct webpages). The results returned several pages of “hits”

of websites that contain substantially identical comments, with the same typographical and spelling errors.

- a. Several of the news-format pages repeated the “this stuff truley” comment to promote acai-berry-based weight-loss products and other products. **(FTC-000436, 448, 457, 487, 516, 523.)**
- b. Other news-format sites used substantially the same “this stuff truley” comment to promote unrelated products, programs, or services. For example, <http://johnrhodes.amplify.com/2010/10/15/this-site-can-put-quibidscom-out-of-business-or-make-you-wish-you-saw-this-first/> used a slight variant of the comment to promote a surplus auction site. Similarly, <http://johnrhodes.amplify.com/2010/10/15/this-site-can-put-quibidscom-out-of-business-or-make-you-wish-you-saw-this-first/> used a slight variant of the comment to promote a work-at-home scheme. I have attached true and correct copies of these webpages at **Schools Attachment L, FTC-000560 to FTC-000570.**
- c. A true and correct copy of the Google search results is attached as **Schools Attachment M, FTC-000571 to FTC-000583.**

### **Images of “Reporters” on Circa Direct Pages Are Stock Photos**

33. The photographic images for the “health and diet columnists” pictured on Circa Direct’s landing pages are stock photographs.

- a. The photographic image of a blonde woman wearing a white blouse and dark blazer identified as either “Julia Miller” or a “health and diet columnist” appears on several of Circa Direct’s landing pages promoting acai berry weight-loss products. **See, e.g. FTC-000434, 446, 455, 485, 521.**
- b. I copied the image of the blonde “Julia Miller” from a Circa Direct landing page and entered into the search engine of tineye.com, a website that uses image identify technology to find web pages using the same image. The search results showed that the identical image has been used on various news-format websites and on a French-language website for a real estate developer. I have attached a true and accurate copy of the search results as **Schools Attachment N, FTC-000584 TO FTC-000586.**
- c. The photographic image of a brown-haired woman wearing a sleeveless black top, also identified as “Julia Miller,” appears on several of Circa Direct’s landing pages promoting acai berry weight-loss products. The same photographic image, identified as “Michelle,” also appears on a Circa Direct landing page promoting surplus auctions. **(FTC-000514.)**

- d. I copied the image of the brown-haired “Julia Miller” or “Michelle” from a Circa Direct landing page and entered it into the tineye.com search engine. The search results show that the identical image has been used on dozens of news-format webpages. A true and accurate copy of the first several pages of results are attached as **Schools Attachment O, FTC-000587 to FTC-000596.**
- e. The tineye.com search results for image of the brown-haired “Julia Miller” or “Michelle” also produced many search results of webpages identifying the woman as French journalist Mélissa Theuriau. One of those webpages, cafeanant.wordpress.com, contains 14 images of Theuriau, including the one used in various Circa Direct/Davidson websites. A true and accurate copy of a portion of the pages of this webpage, as it appeared on April 15, 2011, is attached as **Schools Attachment P, FTC-000597 to FTC-000602 (images of Theuriau at FTC-000601.)** The entry for Mélissa Theuriau on wikipedia.com describes her career and notes that in 2010 “scam websites started using her photo to promote health treatments and penny auctions.” A true and accurate copy of this Wikipedia entry as it appeared on April

14, 2011, is appended as **Schools Attachment Q, FTC-000603 to FTC-000605.**

### **Business Entities, Locations, and Relationships**

#### **1. Business Entities and Location**

35. In or around January 2011, I obtained a Certificate of Formation for Circa Direct, LLC from the New Jersey Department of Treasury's Division of Revenue. This certificate lists Circa Direct's main business address as 209 N. Essex Ave., Margate, NJ 08402 at the time of filing.

36. On or around March 31, 2011, I obtained a Business Entity Status Report from the New Jersey State Business Gateway Service. A true and correct copy of these documents are attached to this declaration as **Schools Attachment R, FTC-000606 to FTC-000609**. The documents list the filing date for Circa Direct as January 27, 2009. The March 31, 2011 Status Report lists “Andrew Davidson” as Incorporator and Chief Executive Officer, the corporate address as 607 N. Delavan Ave., Margate, NJ 08402, and the corporate status as active. The status report also lists “Rapid Offers” as an associated fictitious name.
37. Information from the publicly available database at [findashorehome.com](http://findashorehome.com) indicates that Davidson purchased property at 607 N. Delavan Ave. in Margate, New Jersey for \$450,000 on June 10, 2010. A true and correct copy of a printout of the page is attached as **Schools Attachment S, FTC-000610 to FTC-000616 (Davidson purchase at FTC-000612.)**
2. Davidson’s Connection to CX Digital Media
38. As discussed in the Declaration of Douglas M. McKenney, (**PX 5, ¶ 8, FTC-000288-9**), in some instances, Davidson websites redirect to the website Incentaclick.com, before sending consumers to websites where featured

products are sold. CX Digital Media is an affiliate network that formerly operated under the name Incentaclick. *See* **PX 5, ¶ 9, FTC-000289-90.**

39. On April 4, 2011, I visited the publicly available website [cxdigitalmedia.com](http://cxdigitalmedia.com), the corporate website for a company called CX Digital Media. On this website CX Digital Media describes itself as an affiliate marketing company. The section of the website that discusses its affiliate business states:

Affiliate marketing is any type of online advertising or marketing where the merchant pays affiliates for results as an alternative to paying to reach a targeted audience. Affiliates promote merchant's products and/or services via their website or newsletters in exchange for commission revenue, generated by their marketing efforts.

A true and correct PDF copy of the webpage is attached as **Schools Attachment T, FTC-000617 to FTC-000619.**

2. Davidson and the EWA Network

40. As noted above, Pulse 360 produced, in response to the aforementioned CIDs, copies of email exchanges between Pulse 360 personnel and Davidson through the email address [drewjd2k@gmail.com](mailto:drewjd2k@gmail.com). (**PX 3, Pulse 360 Decl. ¶ 5 and attachments, FTC-000247-61.**) In one of those email exchanges, attached to the **Pulse 360 Decl. at FTC-000260-61**, Davidson arranges for a Pulse 360 employee to attend, as a "VIP" guest, an event described as the "2nd Annual PPC.bz Get Money + Get Paid Party by EWA Network."

41. I visited the website for EWA Network Inc. at ewanetwork.com. This website describes EWA Network as a private network of advertising affiliates that “send[s] our advertisers 120,000,000 visitors each month” and “makes advertisers rich.” The website states that it pays affiliates on a weekly basis. The website contains a banner stating, “As of April 10, EWA is only accepting **12 new affiliates!**” (bold in original). A true and correct PDF copy of the relevant webpage is attached as **Schools Attachment U, FTC-000620 to FTC-000621**.
42. By clicking on the above-referenced “As of April 10, EWA is only accepting **12 new affiliates!**” banner, I was connected to an application page on eaglewebassets.com. The application for member affiliates on this page states that each such affiliate:

shall display and distribute advertising creatives, including without limitation e-mails, web sites, links, and banner advertisements, and search engine placement (collectively, “Ads”), promoting the products or services of advertisers with whom Eagle Web Assets Inc. (“Eagle Web Assets”) has contracted to provide online advertising services (“Advertisers”).

A true and correct PDF copy of the relevant webpages is attached as **Schools Attachment V, FTC-000622 to FTC-000624**.

43. According to the [ewanetwork.com](http://ewanetwork.com) site, Eagle Web Assets Network, Inc., is the parent company of EWA Network, Inc., and its website is [eaglewebassets.com](http://eaglewebassets.com).

#### **Ordering and Returning Lean Spa Product Advertised by Davidson**

44. During the course of this investigation, using a fictitious identity, I ordered the LeanSpa with Acai product. I purchased this product because it is one of the many Acai berry weight loss products that Circa Direct and Davidson have been advertising through the use of banner ads and landing pages. I have set out in the table below my experience with ordering and cancelling the LeanSpa with Acai product.

<b>Day</b>	<b>Action</b>
1	(Monday) Ordered LeanSpa with Acai product free trial for \$1.95
8	(Monday) On or about this date, LeanSpa order arrived at delivery address
12	(Friday) Called LeanSpa toll free customer service number to cancel. Received recorded message stating the wait may take up to 30 minutes due to a high volume of calls and was invited to visit the customer support section of the LeanSpa website. Accessed website and clicked on "Easy Cancel" button but it appeared inoperable. Emailed customer support and indicated desire to cancel. Received email from LeanSpa customer support stating that a request for support ticket had been opened.
13	(Saturday) Received an email from customer support stating they were experiencing extremely high call and email volume and would be in contact in the next few days.

<b>Day</b>	<b>Action</b>
14	(Sunday) One bottle of LeanSpa shipped without notice and credit card charged \$79.99
15	(Monday) I returned to LeanSpa website, entered account information, and received notification that account was still active. I tried to click on the “Easy Cancel” button again, and again the cancellation failed to process. I contacted customer support and listened to recording that stated they were experiencing a high call volume and to call back later. Then, I was disconnected. I called back a while later and this time listened to an automated menu that reported that my next order would ship on a date that was approximately a month later. I followed the prompts to cancel using the automated phone system where the only two options were to return the bottle or cancel any future billing. I cancelled any future billing. I received another email stating that my account had been cancelled and an RMA (return) number had been issued, assuring that I would not be charged again or receive any more shipments.
22	(Monday) On or about this date, LeanSpa product that shipped on the 14 <sup>th</sup> day arrived at delivery address.
25	Returned product to LeanSpa according to the instructions and LeanSpa’s RMA number
41	credit card charged by LeanSpa for \$79.99
45	Received email from LeanSpa stating that a credit of \$79.99 was being issued and that the credit should appear on my account within the next 5-7 business days
45	Credit card credited \$79.99 (outstanding charge of \$79.99 remains on card)

### **Lean Spa Consumer Complaints**

45. During the course of this investigation, I searched the Commission’s central consumer protection complaint database, Consumer Sentinel. It includes

consumer complaints mailed to the Commission, entered on the Commission's web site ([ftc.gov](http://ftc.gov)), and telephoned to the Commission (1-877-FTC-Help). The Consumer Sentinel database includes complaints forwarded by a number of other law enforcement authorities and consumer protection organizations. I searched the Sentinel database for complaints on LeanSpa and located 122 non-duplicative complaints. Consumers consistently complained about unauthorized charges on their credit cards, non-delivery or delayed delivery resulting in insufficient time to use the product within the trial period, and difficulty contacting customer service to

cancel the product. Twenty five complaints expressly stated that the consumers believed they had viewed a legitimate news site before ordering the product.

<b>Subject of Complaint</b>	<b>Number of Complaints</b>
Unauthorized charges	100
Trouble cancelling or getting refund	72
Failure to deliver	10
Delayed delivery	15

I declare under penalty of perjury that the foregoing is true and correct. Executed on April 16, 2011

**LeanSpa** HCA  
THE PROVEN WEIGHT LOSS SYSTEM

**Get a

**Julie** investigates the HCA Cleanse diet to find out for herself if this super diet works.

( **Piscataway** ) - HCA is the latest weight loss fad and with many positive University studies out, is gaining huge momentum in the diet world. It is extracted from the so called super fruit Garcinia Cambogia and has been getting a lot of international attention. And like you have probably already seen; they are all over the internet in blogs and success stories of people who have apparently used the pills and lost a ton of weight.

But we here at Daily Health 6 are a little skeptical and aren't sure that we've seen any real proof that these pills work for weight loss. So we decided to put these products to the test. What better way to find out the truth than to

conduct our own study?

To get started, I volunteered to be the guinea pig. I applied for a free trial of the [LeanSpa with Pure HCA](#). While there are ton's of ads for HCA online, [LeanSpa with Pure HCA](#) is one of the most credible and trustworthy suppliers on the market. The HCA used are in their purest form unlike other competing supplements. Artificial HCA is what is used in most supplementents and is uneffective, LeanSpa gets it's HCA directly from the Garcinia fruit and is the only supplement that does so. It included the free trial of the product and it did not try to fool me into agreeing to additional hidden offers. Another reason why I chose [LeanSpa with Pure HCA](#) is because it is the most concentrated and purest garcinia products on the market. This would give me the most accurate results for my test.

**Here is what LeanSpa with Pure HCA claimed on their website...**

- Up To 4 Times More Weight Loss Than Standard Diets
- Boosts Energy without the 'jitters'
- Burn Calories
- Boost Immune System
- Rich in Antioxidants
- Pure form of HCA (very rare)

We were pretty skeptical, but wanted to find out for ourselves if this product could actually do everything that it claimed. Most of the success stories talk about combining HCA with colon cleansing products to achieve maximum weight loss. I decided to do the same. The idea behind combining the products is that while the [HCA](#) encourages weight loss and increases energy, the colon cleanse helps rid your body of toxins and allows your body to work and burn calories more efficiently. I chose [LeanSpa Cleanse](#) to test.

Julie Ayers, our Health and Diet columnist, recently put the HCA Cleanse Diet to the test. After four weeks of testing the effects of America's Newest Superfood combined with a Colon Cleanse, she has reached the conclusion to what this diet is all about, and the results were surprising.

**She lost 25lbs in 4 weeks.**

The benefits of the HCA Cleanse diet beat all of our initial skepticism. We found the diet not only with weight loss, but it seemed to boost energy levels, and also helped Julie sleep better and to wakeup more rested.

## Weather

## Here is what LeanSpa Cleanse claimed on their website...

- Helps Eliminate Bad Toxins that have Built Up Over the Years
- Removes 'Sludge' from the Walls of the Colon
- Helps Get Rid of Gas and Bloating
- Helps to Regulate the Metabolism

And the LeanSpa Cleanse, like the HCA, had a free trial with a 100% satisfaction guarantee and had no hidden offers.

## Putting HCA to the Test

Both the [LeanSpa with Pure HCA](#) and [LeanSpa Cleanse](#) arrived within 4 days of having placed my order online for the free trials.

The bottles I received held a month's worth of pills which worked out perfect as I was to follow the supplement routine for 4 weeks time and document my progress throughout.

## My Test

### 4 Week HCA Diet: LeanSpa with Pure HCA + LeanSpa Cleanse

- [Take one LeanSpa with Pure HCA pill per day](#)
- [Take one LeanSpa Cleanse pill per day](#)

#### My Results

##### Week One

After one week on the diet using both products I was surprised at the dramatic results. My energy level was up, and I wasn't even hungry, an apparent side effect of the HCA which curbs the appetite.

I honestly felt fantastic.

And I didn't even change anything about my daily routine. On day 7 I got on the scale and couldn't believe my eyes. I had lost 9 lbs. But I still wasn't convinced as they say you lose a lot of water at the beginning of any diet. I wanted to wait and see the results in the upcoming weeks. But it sure was looking up! I now weighed under 140 lbs for the first time in years!

##### Week Two

After two weeks of using both supplements, I started the week off with even more energy and was actually sleeping more soundly than before. I was no longer waking up during the night and tossing and turning because my body was actually able to relax (this is a result of getting rid of the toxins I think). Plus I still managed to lose another 7 lbs, putting me at an unbelievable 16 lbs of weight loss, in just 2 weeks.

I must admit that I'm starting to believe that this diet is more than just a gimmick.

##### Week Three

After 3 weeks all my doubts and skepticism had absolutely vanished! I am down, 2 full dress sizes, after losing another 6 lbs. And I still have a ton of energy. Quite often, around the third week of other diets, you tend to run out of steam. But with the LeanSpa with Pure HCA and LeanSpa Cleanse diet my energy levels don't dip, but remain steady throughout the day. I no longer need that cat nap around 3pm in the afternoon! And I am even noticing that my stomach is digesting food so much better. No bloating or embarrassing gas after I eat!!

##### Week Four

After the fourth week, my final results were shocking. I lost an unbelievable 25 lbs since starting the LeanSpa with Pure HCA and LeanSpa Cleanse diet! Actually everyone at Daily Health 6 is kicking themselves for not having volunteered to be the guinea pig. Using the [LeanSpa with Pure HCA](#) and [LeanSpa Cleanse](#) in week 4 I lost 3 more lbs. But to be honest I really didn't have much more than that left to lose. Given the results and the added

This stuff is amazing! My best friend Jessica did the same diet and lost an incredible amount of weight.. i couldn't believe it and had to do some research on my own which is how I found this article. I can't

believe they are offering free trials! I know Jessica spent something like \$600 and was thrilled.. imagine how excited she would be if it cost her under \$10.00. This is a godsend, thanks so much!!

The study was an open label 60 day short term trial to assess safety and efficacy. LeanSpa continues to invest in research and is in the process of developing next phase research with a larger double blind placebo controlled trial.

### The Miracle of Garcinia/HCA

The power of LeanSpa's unique and clinically studied (-) hydroxycitric acid (HCA) is a powerful tool for reducing Fat and building lean Muscle. LeanSpa contains a highly bioavailable form of 65%, that is 100% soluble, all natural, safe and effective plant extract. In contrast, most products that contain HCA ingredients contain 50% HCA, are less than 50% soluble and less bioavailable.

Extracted from the South Asian fruit Garcinia cambogia and LeanSpa contains standardized levels of (-) hydroxycitric acid (HCA), which has been clinically shown to suppress appetite and inhibit fat production, without stimulating the central nervous system.

Not only does LeanSpa contain a more bioavailable and soluble form of HCA than other products, LeanSpa also provides more milligrams of HCA in its formulation. Each serving of LeanSpa contains 1500 mgs which has been clinically proven to reduce fat and build lean muscle.

LeanSpa's unique high strength HCA is just one of several of it's key ingredients that supports the products effectiveness. The makers of LeanSpa believe strongly that the high cost investment in its unique HCA as well the blend and quality of LeanSpa's specialized ingredients is what separates us from the rest.

### Change Your Body with LEANSPA!

In a pilot study on 17 subjects, the LeanSpa Formula showed a significant, average weight loss over a 2-month period. More important, the change in weight was PROPER weight loss in that the subjects lost fat while gaining muscle. Under the usual dieting regimen, weight loss from dietary changes alone causes loss of muscle as well as fat.

Also, many weight loss/dieting regimens result in bone mineral loss, an undesirable outcome. This was not the case with LeanSpa. Much of the observed fat loss in this study occurred in the abdominal region, the area of most concern to physicians. Decreases in abdominal fat are important to

physicians who understand that accumulation of fat in this area seems to be closely associated with many chronic disorders, such as blood pressure elevations, diabetes, and perturbations of circulating lipids in the blood.

At least part of the weight loss in this study is accounted for by an 8% increase in basal metabolism, approximating over starting values. Notably, blood pressure and heart rate were virtually unchanged even though a significant increase in the basal metabolic rate occurred. Blood work revealed no significant adverse side effects, and various psychological testings suggest improvement in the quality of life and an improvement in healthy eating habits.

### Garcinia Cambogia

HCA works by blocking lipogenesis or conversion of starches and sugars into fat that is stored and increases our weight. HCA also lessens existing fat through increased breakdown. Additionally, HCA raises the levels of Serotonin that have a role in appetite regulation.

### Green Tea

Green tea helps promote fat burning and provides EGCG, a powerful metabolism booster and an essential anti-oxidant.

### 5-Hydroxytryptophan

5-HTP increases the production of serotonin. Serotonin is essential for weight loss as it is a brain chemical which controls appetite. Serotonin is the satiety or satisfaction chemical. When your brain makes more serotonin, your appetite is more readily controlled, for example your thirst is when you drink enough water.

### Chromium

Chromium may help to control type 2 diabetes or the glucose and insulin responses in persons at high risk of developing the disease. Additionally, chromium can have an impact on blood lipid levels. Studies indicate that chromium can decrease total and low-density-lipoprotein (LDL or "bad") cholesterol and triglyceride levels and increased concentrations of apolipoprotein A (a component of high-density-lipoprotein cholesterol known as HDL or "good" cholesterol)

### Acai

The Acai Berry has one of the highest antioxidant value of any edible substance in the world - 50 times that of red grapes!

### Caffeine

Caffeine acts as a dietary aid to promote increased fat oxidation and breakdown.

### Octopamine HCL

Octopamine HCL stimulates receptors involved in the processes of fat metabolism that directly cause fatty acids to be released from the adipose tissue and metabolized.

# 1 Trick of a Tiny Belly: Reporter Loses Her "Belly" Using 1 Easy Tip

As part of a new series: "Diet Trends: A look at America's Top Diets" we examine consumer tips for dieting during a recession

**Acai Berry: Fox35 Special Report**

Julie investigates the Acai Berry diet to find out for herself if this super diet works.

( Piscataway ) - Acai berries are the latest weight loss fad. These so called Super Foods that you take as a supplement to lose weight have been getting a lot of international attention. And like you have probably already seen; they are all over the internet in blogs and success stories of people who have apparently used the pills and lost a ton of weight.

But we here at Daily Health 6 are a little skeptical and aren't sure that we've seen any real proof that these pills work for weight loss. So we decided to put these products to the test. What better way to find out the truth than to conduct our own study?

To get started, I volunteered to be the guinea pig. I applied for a risk free trial of the [UltraBerry Slim](#). While there are ton's of Acai berry ads online, [UltraBerry Slim](#) is one of the most credible and trustworthy suppliers on the market. It included the risk free trial of the product and it did not try to fool me into agreeing to additional hidden offers. Another reason why I chose [UltraBerry Slim](#) is because it is the most concentrated and purest acai products on the market. This would give me the most accurate results for my test.

### Here is what UltraBerry Slim claimed on their website...

- Up To 4 Times More Weight Loss Than Standard Diets
- Boosts Energy without the 'jitters'
- Burn Calories
- Boost Immune System
- Rich in Antioxidants

We were pretty skeptical, but wanted to find out for ourselves if this product could actually do everything that it claimed. Most of the success stories talk about combining acai berry with colon cleansing products to achieve maximum weight loss. I decided to do the same. The idea behind combining the products is that while the [Acai Berry](#) encourages weight loss and increases energy, the colon cleanse helps rid your body of toxins and allows your body to work and burn calories more efficiently. I chose [ColoThin](#) to test.

### Here is what ColoThin claimed on their website...

- Helps Eliminate Bad Toxins that have Built Up Over the Years
- Removes 'Sludge' from the Walls of the Colon
- Helps Get Rid of Gas and Bloating
- Helps to Regulate the Metabolism

Julie Ayers, our Health and Diet columnist, recently put the Acai Diet to the test. After four weeks of testing the effects of America's Newest Superfood combined with a Colon Cleanse, she has reached the conclusion to what this diet is all about, and the results were surprising.

### She lost 25lbs in 4 weeks.

The benefits of the Acai berry diet beat all of our initial skepticism. We found the diet not only with weight loss, but it seemed to boost energy levels, and also helped Julie sleep better and to wakeup more rested.

And the ColoThin, like the Acai Berry, had a sample with a 100% satisfaction guarantee and had no hidden offers.

### Putting Acai to the Test

Both the [UltraBerry Slim](#) and [ColoThin](#) arrived within 4 days of having placed my order online for the bottles.

The bottles I received held a month's worth of pills which worked out perfect as I was to follow the supplement routine for 4 weeks time and document my progress throughout.

### My Test

#### 4 Week Acai Berry Diet: UltraBerry Slim + ColoThin

- [Take one UltraBerry Slim pill per day](#)
- [Take one ColoThin pill per day](#)

#### My Results

##### Week One

After one week on the diet using both products I was surprised at the dramatic results. My energy level was up, and I wasn't even hungry, an apparent side effect of the Acai Berry which curbs the appetite.

I honestly felt fantastic.

And I didn't even change anything about my daily routine. On day 7 I got on the scale and couldn't believe my eyes. I had lost 9 lbs. But I still wasn't convinced as they say you lose a lot of water at the beginning of any diet. I wanted to wait and see the results in the upcoming weeks. But it sure was looking up! I now weighed under 140 lbs for the first time in years!

##### Week Two

After two weeks of using both supplements, I started the week off with even more energy and was actually sleeping more soundly than before. I was no longer waking up during the night and tossing and turning because my body was actually able to relax (this is a result of getting rid of the toxins I think). Plus I still managed to lose another 7 lbs, putting me at an unbelievable 16 lbs of weight loss, in just 2 weeks.

I must admit that I'm starting to believe that this diet is more than just a gimmick.

##### Week Three

After 3 weeks all my doubts and skepticism had absolutely vanished! I am down, 2 full dress sizes, after losing another 6 lbs. And I still have a ton of energy. I no longer need that cat nap around 3pm in the afternoon! And I am even noticing that my stomach is digesting food so much better. No bloating or embarrassing gas after I eat!!

##### Week Four

After the fourth week, my final results were shocking. I lost an unbelievable 25 lbs since starting the UltraBerry Slim and ColoThin diet! Actually everyone at Daily Health 6 is kicking themselves for not having volunteered to be the guinea pig. Using the [UltraBerry Slim](#) and [ColoThin](#) in week 4 I lost 3 more lbs. But to be honest I really didn't have much more than that left to lose. Given the results and the added health benefits I will continue to use the products indefinitely!

**I couldn't be any happier with the results.**

**1. Set a goal.** Identify your ideal weight and set up a plan to start reaching your goal.

**2. Don't be afraid to ask for and get help.**

You're not going to lose weight alone. Tell your family. Get support.

**3. Vitamins are good for you.** The American diet lacks essential vitamins and minerals. Balance your health with the best supplements.

**4. Walk the Walk.** You burn calories when you walk, did you know that? Keep active and balance your diet with regular exercise.

**5. Sleep it off.** To be an efficient fat-burning machine, your body requires at least eight hours of sleep a night. If you think that you're doing yourself a favor by sleeping less, you're mistaken.

**Conclusion:** Like us, here at Daily Health 6, you might be a little doubtful about the effects of this diet, but you need to try it for yourself; the results are real. After conducting our own personal study we are pleased to see that people really are finding success with it (myself included :) ). And you have nothing to lose. Follow the links I have provided and know that you are getting a quality product that works; no strings attached!

Good luck with your weight loss,

# 1 Trick of a Tiny Belly: Reporter Loses Her "Belly" Using 1 Easy Tip

As part of a new series: "Diet Trends: A look at America's Top Diets" we examine consumer tips for dieting during a recession

**Acai Berry: Fox35 Special Report**

Julie investigates the Acai Berry diet to find out for herself if this super diet works.

( Piscataway ) - Acai berries are the latest weight loss fad. These so called Super Foods that you take as a supplement to lose weight have been getting a lot of international attention. And like you have probably already seen; they are all over the internet in blogs and success stories of people who have apparently used the pills and lost a ton of weight.

But we here at Daily Health 6 are a little skeptical and aren't sure that we've seen any real proof that these pills work for weight loss. So we decided to put these products to the test. What better way to find out the truth than to conduct our own study?

To get started, I volunteered to be the guinea pig. I applied for a free trial of the [TrimSport Acai](#). While there are ton's of Acai berry ads online, [TrimSport Acai](#) is one of the most credible and trustworthy suppliers on the market. It included the free trial of the product and it did not try to fool me into agreeing to additional hidden offers. Another reason why I chose [TrimSport Acai](#) is because it is the most concentrated and purest acai products on the market. This would give me the most accurate results for my test.

### Here is what TrimSport Acai claimed on their website...

- Up To 4 Times More Weight Loss Than Standard Diets
- Boosts Energy without the 'jitters'
- Burn Calories
- Boost Immune System
- Rich in Antioxidants

We were pretty skeptical, but wanted to find out for ourselves if this product could actually do everything that it claimed. Most of the success stories talk about combining acai berry with colon cleansing products to achieve maximum weight loss. I decided to do the same. The idea behind combining the products is that while the [Acai Berry](#) encourages weight loss and increases energy, the colon cleanse helps rid your body of toxins and allows your body to work and burn calories more efficiently. I chose [PureCleanse 360](#) to test.

### Here is what PureCleanse 360 claimed on their website...

- Helps Eliminate Bad Toxins that have Built Up Over the Years
- Removes 'Sludge' from the Walls of the Colon
- Helps Get Rid of Gas and Bloating
- Helps to Regulate the Metabolism

Julie Ayers, our Health and Diet columnist, recently put the Acai Diet to the test. After four weeks of testing the effects of America's Newest Superfood combined with a Colon Cleanse, she has reached the conclusion to what this diet is all about, and the results were surprising.

### She lost 25lbs in 4 weeks.

The benefits of the Acai berry diet beat all of our initial skepticism. We found the diet not only with weight loss, but it seemed to boost energy levels, and also helped Julie sleep better and to wakeup more rested.

### Putting Acai to the Test

Both the [TrimSport Acai](#) and [PureCleanse 360](#) arrived within 4 days of having placed my order online for the bottles.

The bottles I received held a month's worth of pills which worked out perfect as I was to follow the supplement routine for 4 weeks time and document my progress throughout.

### My Test

#### 4 Week Acai Berry Diet: TrimSport Acai + PureCleanse 360

- [Take one TrimSport Acai pill per day](#)
- [Take one PureCleanse 360 pill per day](#)

#### My Results

##### Week One

After one week on the diet using both products I was surprised at the dramatic results. My energy level was up, and I wasn't even hungry, an apparent side effect of the Acai Berry which curbs the appetite.

I honestly felt fantastic.

And I didn't even change anything about my daily routine. On day 7 I got on the scale and couldn't believe my eyes. I had lost 9 lbs. But I still wasn't convinced as they say you lose a lot of water at the beginning of any diet. I wanted to wait and see the results in the upcoming weeks. But it sure was looking up! I now weighed under 140 lbs for the first time in years!

##### Week Two

After two weeks of using both supplements, I started the week off with even more energy and was actually sleeping more soundly than before. I was no longer waking up during the night and tossing and turning because my body was actually able to relax (this is a result of getting rid of the toxins I think). Plus I still managed to lose another 7 lbs, putting me at an unbelievable 16 lbs of weight loss, in just 2 weeks.

I must admit that I'm starting to believe that this diet is more than just a gimmick.

##### Week Three

After 3 weeks all my doubts and skepticism had absolutely vanished! I am down, 2 full dress sizes, after losing another 6 lbs. And I still have a ton of energy. Quite often, around the third week of other diets, you tend to run out of steam. But with the TrimSport Acai and PureCleanse 360 diet my energy levels don't dip, but remain steady throughout the day. I no longer need that cat nap around 3pm in the afternoon! And I am even noticing that my stomach is digesting food so much better. No bloating or embarrassing gas after I eat!!

##### Week Four

After the fourth week, my final results were shocking. I lost an unbelievable 25 lbs since starting the TrimSport Acai and PureCleanse 360 diet! Actually everyone at Daily Health 6 is kicking themselves for not having volunteered to be the guinea pig. Using the [TrimSport Acai](#) and [PureCleanse 360](#) in week 4 I lost 3 more lbs. But to be honest I really didn't have much more than that left to lose. Given the results and the added health benefits I will continue to use the products indefinitely!

**I couldn't be any happier with the results.**

**1. Set a goal.** Identify your ideal weight and set up a plan to start reaching your goal.

**2. Don't be afraid to ask for and get help.** You're not going to lose weight alone. Tell your family. Get support.

**3. Vitamins are good for you.** The American diet lacks essential vitamins and minerals. Balance your health with the best supplements.

**4. Walk the Walk.** You burn calories when you walk, did you know that? Keep active and balance your diet with regular exercise.

**5. Sleep it off.** To be an efficient fat-burning machine, your body requires at least eight hours of sleep a night. If you think that you're doing yourself a favor by sleeping less, you're mistaken.

## I Lost 25 lbs in 4 Weeks, No Special Diet, No Intense Exercise

**Conclusion:** Like us, here at Daily Health 6, you might be a little doubtful about the effects of this diet, but you need to try it for yourself; the results are real. After conducting our own personal study we are pleased to see that people really are finding success with it (myself included :) ). And you have nothing to lose. Follow the links I have provided and know that you are getting a quality product that works; no strings attached!

Good luck with your weight loss,

# EXPOSED: New Jersey Mom Makes \$8,000/Month And You Won't Believe How She Does It!

"Melissa puts her computer to work and makes money while working from home. She says that [Multiple Streams of Income](#) has helped change her financial life and recommends it to people as a good opportunity.

## Have You Ever Considered Working From Home?

Melissa Johnson from Piscataway, NJ never thought that she would work online, until curiosity got the best of her and she ordered a course from Millionaire author Robert Allen called [Multiple Streams Of Income](#). Before she knew it, she discovered her secret to beating the recession, and being able to provide for her family while at home with her three children.

I read Melissa's blog last month and decided to feature her story in our weekly consumer report. In our phone interview she told me her amazing story. "I actually make about \$7,000-\$8,000 a month working from home. It's enough to comfortably replace my old jobs income, especially considering I only work about 15-18

hours a week from home.

A check Melissa recently received using the [Multiple Streams of Income System](#)

Working online has been a financial windfall for Melissa, who struggled for months to find a decent job but kept hitting dead ends. "I lost my job shortly after the recession hit, I needed reliable income, I was not interested in the "get rich quick" scams you see all over the internet. Those are all pyramid scams or stuff where you have to sell to your friends and family. I just needed a legitimate way to earn a living for me and my family. The best part of working online is that I am always home with the kids. Thanks to the Multipul Streams of Income Kit I am giving my kids the childhood they deserve."

I asked her about how she started her life-changing journey. "It was pretty easy", I saw an ad by Robert Allen about a course called Multiple Streams of Income. [I knew about Robert Allen from TV and knew he was legit, and since they offered a "365 Day Money Back Guarantee"](#)

Melissa Johnson is a regular mom who lost her job last year, and after an unsuccessful job hunt, she started working online. I interviewed her about her amazing story and she revealed her steps for success.

**Step 1**  
Go to [Multiple Streams of Income](#), and fill out the form to get instant activation.

**Step 2**  
Get [Robert Allen's Multiple Streams of Income Course](#) and complete the attached Ad Placement Associate

The course was really cheap, under \$100. I got the course and within six weeks I was making over \$8,000 a month. Its really simple, I am not a computer whiz, but I can use the internet. I follow Robert Allen's simple instruction. "I don't even have to sell anything and nobody has to buy anything". There are openings all over the country, you should try it."

The companies you work with are worth over 100 billion dollars and are the most used sites in the internet market place, like Amazon, Google, Walmart, Delta, Apple and more... You're using the top ranked sites in the world, over 50 percent of all internet traffic flows through them everyday. It's a great opportunity and this has been helping people work at home for over 5 years. Why not get in with the internets best and biggest companies?

there are plenty of scams on the internet claiming you can make \$50,000 a month, but that is exactly what they are scams. From my conversation with Melissa, "I am making a good salary from home, which is amazing, under a year ago I was jobless in a horrible economy. I thank God every day that I filled out that form."

Quickly, Melissa Johnson was able to use the simple Robert Allen's [Multiple Streams of Income](#) to make it out of the recession.

**"I actually make \$7,000-\$8,000 a month from home." -

Melissa had never shared her story before, this is the first time she's going public

Here's how to get started:

Simon: you have to work and use the computer and internet, and if you can do that and dedicate some time each day then you can do this with no problem. I have been working with this for a month and have made over \$2,000 already. let me know if you need more help.

I'd just like to add my story; I think others would like to hear it. I too was always leery about work at home offers because they always seemed to be scams. But soon after hit by recession, I was a little frightened. I wanted to have a backup plan just in case. So, I took your advice and got my **Robert Allen Multiple Streams of income (cuz they offered a 365Day Moneyback Guarantee,)** . It worked like a charm - I was earning money right away! I eventually did get laid off, just as I had feared, but since I had been using the the Robert Allen System I had money to fall back on. Now I'm doing better than I had at my job!

# Don't Break the Bank: A Mom's Trick to Whiter Teeth

- STORY HIGHLIGHTS
- Mom discovers **trick** to get white teeth from home.
  - **Exclusive links** bring down the cost to under \$4\*.
  - Combining a [Tray Kit](#) and [Whitening Pen](#) is key.

AS SEEN ON:      

(DailyHealth6) -- Amidst the second worst recession in United States history, thrifty consumers are turning to the internet to take advantage of special offers.

Amy, an ordinary mom from Piscataway, NJ discovered a clever trick to get a celebrity smile for less than \$4.

Thanks to the trick she discovered, thousands of consumers have been able to whiten their teeth from home.

**STEP 1:**

First get [Pür Whitening Tray Kit](#)  
(Use our exclusive link for a discount!)

**STEP 2:**

Then get [Vibrant Smile Pen](#)  
(Use our exclusive link for a discount!)

**\*This is key.** Use both products to get results like Amy

Amy, a New Jersey school teacher and full time mother, is one such consumer. It all started about three months ago when she bought an authentic Coach pocketbook on sale for only \$55 (75% off the retail price). She was determined to seek out other great offers and recently made her best find. Amy discovered a clever way of combining two different teeth whitening offers from two different companies – [Pür Whitening Tray Kit](#) and [Vibrant Smile Pen](#) -- to get results similar to that of a professional whitening done by a dentist. Rather than spending \$500 at her local dentist to attain a sexy smile, she was able to do so for less than \$4 by using free trial offers she found online.

Amy: "I like to consider myself a smart shopper, always finding the best bang for my buck. My online teeth whitening discovery was without a doubt one of the best finds I made this year."

## How did Amy wind up with yellow teeth?

"While my mom always told me be to be proud of who I am and what I look like, I have always been self conscious about my yellow teeth. Truthfully, I have no one to blame for this problem but myself. I smoked for 8 years, drink 2 cups of coffee a day (only way to stay awake at work), and love a glass of red wine to help me sleep at night. Furthermore, I would be lying if I said that I brushed my teeth 3 times a day every day. While I recently quit smoking and have cut back on the amount of coffee I drink, my tooth discoloration seems to be permanent. I used just about every "whitening" toothpaste and mouthwash product on the market and saw little if any improvement.

A co-worker of mine recently recommended to do some research online before making my next purchase. As an elementary school teacher with a modest salary and a sizeable

mortgage, cost was a major concern. While searching the Web I found a few online teeth whitening companies giving away free trials where you only had to pay a few dollars for shipping. I ordered two products, [Pür Whitening Tray Kit](#) and [Vibrant Smile Pen](#), both of which had 9/10 ratings and positive feedback from all users. After using the first product the results were noticeable, but after following with the second product I had a celebrity white smile. I'm far from a medical expert, but it appears that each product focused on DIFFERENT parts of the problem and that the second one put the whitening effect into overdrive. By using them both in a row I had absolutely unbelievable results. I can't believe companies are practically giving these products away!"

Amy: "I'm an optimist and always look for the silver lining in any situation. While this recession has negatively impacted me like everyone else, my savvy shopping skills got me the smile I always wanted."

Online teeth whitening companies are **DESPERATE** for new customers and are giving away free trials as a way to find new clients and offload excess inventory. **You can and should take advantage of the downturn in the economy just like Amy.**

When asked to elaborate on her discovery Amy said:

"I was impressed with the results after the first 3 days – but once I saw my teeth after a week, I was absolutely blown away... I knew I was onto something. The trick is to use TWO trial products that compliment each other **TOGETHER** to give yourself a whitening comparable to that of your favorite actress."

Daily Health 6 would like to thank Amy for this amazing teeth whitening tip. If you are interested in using Amy's trick, we have provided links and coupon code information for the two products she used. After further research, we have learned that these coupon codes will work until Friday, March 11, 2011, so you have until then to obtain these free trials. Remember, to get results like Amy's, you will want to use BOTH products together:

## A CLINICAL STUDY ON HOME WHITENING

Recent studies by many prominent dentists have shown that bleaching compounds contained in tooth whitening products seem to work well and give great results even without the use of lasers or lights.

The use of lasers or lights do not effect the results in most cases. These studies were performed by using the "split arch" method, wherein the teeth on one side are treated using just the whitener, while the teeth on the other side are treated using the whitener as well as an activating light source.

Studies have stated that the results were the same in both cases. The teeth on both sides were the same.

## Get That Bright Smile Back with My Vibrant Whitening Pen

Do you remember when your smile was white as could be; before it faded with stains and discoloration? Our daily habits including but not limited to; coffee, red wine, soda, and tea fade the color of our teeth over time. The result is an unattractive discoloration that makes our once shiny smile a distant memory. This has made tooth whitening one of the most popular cosmetic dental procedures in the United States. But who can afford to visit their

dentist every time they want their teeth whitened? It is estimated that Americans spend a mind boggling 1.7 billion dollars on tooth whitening products and services every year.

Julie investigates the  
Acai Berry diet to find out  
for herself if this super  
diet works.

( Piscataway ) - Acai berries are the latest weight loss fad. These so called Super Foods that you take as a supplement to lose weight have been getting a lot of international attention. And like you have probably already seen; they are all over the internet in blogs and success stories of people who have apparently used the pills and lost a ton of weight.

But we here at News 6 are a little skeptical and aren't sure that we've seen any real proof that these pills work for weight loss. So we decided to put these products to the test. What better way to find out the truth than to conduct our own study?

To get started, I volunteered to be the guinea pig. I applied for a free trial of the [LeanSpa Acai](#). While there are ton of Acai berry ads online, [LeanSpa Acai](#) is one of the most credible and trustworthy suppliers on the market. It included the free trial of the product and it did not try to fool me into agreeing to additional hidden offers. Another reason why I chose [LeanSpa Acai](#) is because it is the most concentrated and purest acai products on the market. This would give me the most accurate results for my test.

Here is what LeanSpa Acai claimed on their website...

- Up To 4 Times More Weight Loss Than Standard Diets
- Boosts Energy without the 'jitters'
- Burn Calories
- Boost Immune System
- Rich in Antioxidants

We were pretty skeptical, but wanted to find out for ourselves if this product could actually do everything that it claimed. Most of the success stories talk about combining acai berry with coffee cleansing products to achieve maximum weight loss. I decided to do the same. The idea behind combining the products is that while the [Acai Berry](#) encourages weight loss and increases energy, the coffee helps speeds up your metabolism and allows your body to work and burn calories more efficiently. I chose [South Beach Java](#) to test. Coffee is the most widely consumed beverage in the world, a coffee company called South Beach Java has pioneered a healthier blend of fortified coffee that claims to provide some serious results.

Here is what South Beach Java claimed on their website...

- Burns Body Fat
- Curbs Appetite Dramatically

Julie Ayers, our Health and Diet columnist, recently put the Acai and Coffee Diet to the test. After four weeks of testing the effects of America's Newest Superfood combined with a Coffee Diet Aid, she has reached the conclusion to what this diet is all about, and the results were surprising.

She lost 25lbs in 4 weeks.

The benefits of the Acai berry and coffee diet beat all of our initial skepticism. We found the diet not only with weight loss, but it seemed to boost energy levels, and also helped Julie sleep better and to wakeup more rested.

And the South Beach Java, like the Acai Berry, had a free trial with a 100% satisfaction guarantee and had no hidden offers.

## Putting Acai to the Test

Both the [LeanSpa Acai](#) and [South Beach Java](#) arrived within 4 days of having placed my order online for the free trials.

The bottles I received held a month's worth of pills and special coffee which worked out perfect as I was to follow the supplement routine for 4 weeks time and document my progress throughout.

## My Test

### 4 Week Acai Berry and Coffee Diet: LeanSpa Acai + South Beach Java

- [Take one LeanSpa Acai pill per day](#)
- [Take one South Beach Java serving per day](#)

## My Results

### Week One

After one week on the diet using both products I was surprised at the dramatic results. My energy level was up, and I wasn't even hungry, an apparent side effect of the Acai Berry and Coffee which curbs the appetite.

I honestly felt fantastic.

And I didn't even change anything about my daily routine. On day 7 I got on the scale and couldn't believe my eyes. I had lost 9 lbs. But I still wasn't convinced as they say you lose a lot of water at the beginning of any diet. I wanted to wait and see the results in the upcoming weeks. But it sure was looking up! I now weighed under 140 lbs for the first time in years!

### Week Two

After two weeks of using both supplements, I started the week off with even more energy and was actually sleeping more soundly than before. I was no longer waking up during the night and tossing and turning because my body was actually able to relax (this is a result of getting rid of the toxins I think). Plus I still managed to lose another 7 lbs, putting me at an unbelievable 16 lbs of weight loss, in just 2 weeks.

I must admit that I'm starting to believe that this diet is more than just a gimmick.

### Week Three

After 3 weeks all my doubts and skepticism had absolutely vanished! I am down, 2 full dress sizes, after losing another 6 lbs. And I still have a ton of energy. Quite often, around the third week of other diets, you tend to run out of steam. But with the LeanSpa with Acai and South Beach Java diet my energy levels don't dip, but remain steady throughout the day. I no longer need that cat nap around 3pm in the afternoon! And I am even noticing that my stomach is digesting food so much better. No bloating or embarrassing gas after I eat!!

### Week Four

After the fourth week, my final results were shocking. I lost an unbelievable 25 lbs since starting the LeanSpa Acai and South Beach Java diet! Actually everyone at News 6 is kicking themselves for not having volunteered to be the guinea pig. Using the [LeanSpa Acai](#) and [South Beach Java](#) in week 4 I lost 3 more lbs. But to be honest I really didn't have much more than that

their personal training regimen.

Change Your Body with **LEANSPA!**

In a pilot study on 17 subjects, the LeanSpa Formula showed a significant, average weight loss over a 2-month period. More important, the change in weight was PROPER weight loss in that the subjects lost fat while gaining muscle. Under the usual dieting regimen, weight loss from dietary changes alone causes loss of muscle as well as fat.

Also, many weight loss/dieting regimens result in bone mineral loss, an undesirable outcome. This was not the case with LeanSpa. Much of the observed fat loss in this study occurred in the abdominal region, the area of most concern to physicians. Decreases in abdominal fat are important to physicians who understand that accumulation of fat in this area seems to be closely associated with many chronic disorders, such as blood pressure elevations, diabetes, and perturbations of circulating lipids in the blood.

At least part of the weight loss in this study is accounted for by an 8% increase in basal metabolism, approximating over starting values. Notably, blood pressure and heart rate were virtually unchanged even though a significant increase in the basal metabolic rate occurred. Blood work revealed no significant adverse side effects, and various psychological testings suggest improvement in the quality of life and an improvement in healthy eating habits.

Studies show that the acai berry is one of the most nutritious foods in the world. Acai pulp contains 10 times more antioxidants than red grapes and 10 to 30 times the anthocyanins of red wine; a synergy of dietary fiber and phytosterols to help promote cardiovascular and digestive health.

Acai is packed full of antioxidants, amino acids and essential omegas. **Green Tea**

Green tea helps promote fat burning and provides EGCG, a powerful metabolism booster and an essential anti-oxidant.

**Octopamine HCL**

Octopamine HCL stimulates receptors involved in the processes of fat metabolism that directly cause fatty acids to be released from the adipose tissue and metabolized.

**Caffeine**

Caffeine acts as a dietary aid to promote increased fat oxidation and breakdown.

**5-Hydroxytryptophan**

5-HTP increases the production of serotonin. Serotonin is essential for weight loss as it is a brain chemical which controls appetite. Serotonin is the satiety or satisfaction chemical. When your brain makes more serotonin, your appetite is more readily controlled, for example your thirst is when you drink enough water.

**Garcinia Cambogia**

HCA works by blocking lipogenesis or conversion of starches and sugars into fat that is stored and increases our weight. HCA also lessens existing fat through increased breakdown. Additionally, HCA raises the levels of Serotonin that have a role in appetite regulation.

**Chromium**

Chromium may help to control type 2 diabetes or the glucose and insulin responses in persons at high risk of developing the disease. Additionally, chromium can have an impact on blood lipid levels. Studies indicate that chromium can decrease total and low-density-lipoprotein (LDL or "bad") cholesterol and triglyceride levels and increased concentrations of apolipoprotein A (a component of high-density-lipoprotein cholesterol known as HDL or "good" cholesterol).

### Have You Ever Thought About Working Online?

Kelly Richards of Piscataway, NJ never thought she would have a job working at home until one day she filled out a simple form online. Before she knew it, she discovered her secret to beating the recession, and being able to provide for her family while at home with her two children.

I read Kelly's blog last month and decided to feature her story in our local job report. In our phone interview she she told me her amazing story. "I actually make about \$5,000-\$7,000 a month using the internet. It is enough to

comfortably replace my old jobs income, especially considering I only work about 10-15 hours a week from home.

Working online has been a financial windfall for Kelly, who struggled for months to find a decent job during the struggling economy. "I lost my job shortly after the recession hit, I needed reliable income, I was not interested in the "get rich quick" scams you see all over the internet. Those are all pyramid scams or stuff where you have to sell to your friends and family. I just needed a legitimate way to earn a living for me and my family. The best part of working online is that I am always home with the kids, I save a lot of money."

-Kelly Richards

I asked her about how she started her remarkable journey. "It was pretty easy, I filled out a short form and applied for a work at home kit. There is a small processing fee, its not really free but was just under \$3. I got the Kit and within four weeks I was making over \$5,000 a month. It's really simple, I am not a computer whiz, but I can use the internet. I post links that are given to me, I don't even have to sell anything and nobody has to buy anything. They are constantly recruiting people to post links, you should try it."

Working online has changed peoples lives overnight. These great companies have been helping people to work from home and give them new jobs. There are plenty of scams on the internet claiming you can make \$50,000 a month, but that is exactly what they are scams. From my conversation with Kelly, "I am making a good salary from home, which is amazing, under a year ago I was jobless in a horrible economy. I thank god every day that I filled out that form."

I'd just like to add my story; I think others would like to hear it. I too was always leery about work at home offers because they always seemed to be scams. But after the recession hit, I was a little frightened. I wanted to have a backup plan just in case. So, I took your advice and got my free kit. It worked like a charm - I was earning money right away! I eventually did get laid off, just as I had feared, but since I had been using the online kit, I had money to fall back on. Now I'm doing better than I had at my job!

## BREAKING NEWS: EXCLUSIVE: Massive Savings "Trick" Discovered

### Surplus Auctions Exposed: 95% Off Retail Possible?

Friday, February 25, 2011

As part of a new series: "How to Save Big Bucks when Shopping Online"

AS SEEN ON:

Michelle investigates  
"Surplus" auctions, like  
SwipeBids, to find out if  
this system really works.

Surplus auction websites are a new phenomenon that is quickly spreading through North America and Europe (like you have probably already seen). They are all over the internet in blogs and success stories of people who have apparently bought expensive items at very little cost. Here at The Memphis Gazette we were very skeptical of whether or not these surplus auction sites were real. We decided to put them to the test. What better way to find the truth than to conduct our own study?

I wanted to buy a new HDTV, so I was put in charge of the test.

First, I did a ton of research on the subject to find out which surplus auction site was the most trustworthy and ultimately would be best suited for my test. After hours and hours of research I came to the conclusion that [SwipeBids](#) was best because of its wide variety of products and great reputation. The way these auction sites supposedly work is that you buy bids to bid against others in auctions. If you win, you get to purchase the item at a reduced price. [SwipeBids](#) had a new promotion, for a limited time, they are giving out 100 bonus bids on signup. This created an ideal situation for me, giving me the bids necessary to thoroughly test the site. This promotion is to help spread the word about shopping with [SwipeBids](#) and show people how much they can save with surplus auctions.

#### Wondering How SwipeBids Can Provide Such Deals?

[SwipeBids](#) gets their items from warehouse closeouts, surplus auctions, and liquidation clearance auctions. This is how they can offer such low prices in comparison to retail outlets.

#### What Do They Put Up For Auction?

I've seen everything from cars to phones, computers, laptops, TVs, cameras, stereo equipment and pretty much anything you can think of.

*tryagain2 Won a \$16,356 Honda Civic Coupe  
On [SwipeBids](#) for \$1,732!*

Hot Deals and Shopping Trends writer Michelle of The Memphis Gazette team recently put [SwipeBids](#) to the test and the results were very surprising.

She saved \$2,112 Off Retail

[SwipeBids](#) beat all of our initial skepticism. People now can really get 95% off retail, which is quite amazing to say the least.

#### Step 1:

Click [this link](#) to go to [SwipeBids](#) and sign up to get your bids using the promo below. [SwipeBids](#) has agreed to keep the promo active a little longer for our readers. Get it while you can!

**Use promo "swipe100ex" to get 100 bonus bids on signup!**

**Promo Code Expires: Saturday, February 26, 2011**

#### Step 2:

Search the auctions until you find an item that appeals to you.

#### Step 3:

Start placing your bids.

#### Step 4:

When you win the auction, you'll be taken to the checkout where you can buy your item at a deep discount!

## Putting SwipeBids to the Test

After going through a simple registration process on [SwipeBids](#), I got my bids and began to try and win items listed up for auction. Before registering, I was still a little confused about the whole process - but after registering everything became clear.

I began to bid on the item I was after, a 42" Panasonic LCD TV. Surprisingly, I won after a very short period of bidding. It cost me only \$67.50 total for a \$899 HDTV!

To make sure this wasn't a fluke, I decided to try again to see if I could win another item - again, to my surprise I won yet again - this time the savings were bigger! I ended up spending \$163 for a \$1,199 MacBook Pro. Very impressive, and I don't think stores can match such deals!

Shipping - after I won the products and paid for them - I received the items in only a few days. Within a short period I had my items in hand. Simply amazing.

## My Full Experience With SwipeBids\*

### Week One

Research on the surplus Auction system and how it works, and how you could legitimately get 95% off retail prices. You buy bids to bid against others in auctions. If you win, you get to purchase the item at a reduced price. I saw there were many users who won multiple auctions and knew with the right strategy that could be me.

### Week Two

After finding that SwipeBids was the most legitimate surplus auction site around, I decided to register with the promo code and claim my 100 bonus bids. I messed up on my first try, and didn't win the auction, but it didn't cost me much, so I continued to try to really find out if this system works.

I developed my system. I started to look for an auction that didn't have a lot of bidders. Typically these were the auctions taking place between 2am-5am EST.

### Week Three

After some trial and error, I was able to win my first auction. After that, I decided I'd try again and see if it was possible to win more than once in a row. This possibility became a reality, and I won my second auction. After this, my bids were mostly spent, however I was VERY EXCITED to see my cheap items being shipped!

### Week Four

I received my items, and they were in mint condition. Packaging was very good. I will never use a regular auction site again! I still can't believe I received these items for such a discounted price!

I couldn't be any happier with the results.

## A Step-By-Step Guide To SwipeBids

Now that you know [SwipeBids](#) can offer real savings, you may be wondering how exactly it works. Don't worry – we'll tell you everything you need to know! Here is our step-by-step guide to get you started:

### Step 1:

Register as a user at [SwipeBids](#) and get your bids.

**Use promo "swipe100ex " to get 100 bonus bids on signup!**

Promo Code Expires: Saturday, February 26, 2011

### Step 2:

Search the auctions until you find an item that appeals to you.

### Step 3:

Start placing your bids.

### Step 4:

When you win the auction, you'll be taken to the checkout where you can buy your item at a deep discount!

It's really that easy!

### Conclusion

Overall, I had a very positive experience with [SwipeBids](#), which was very surprising to me. What once seemed impossible has now turned into a reality, a possibility to get 95% off retail! Everyone at The Memphis Gazette now uses [SwipeBids](#) for all their shopping needs.

P.S. [SwipeBids](#) has agreed to keep the promo active for our readers for a short while longer. Get in on it while you can!

## Charlie Sheen finds a new enabler: Mark Cuban

March 7, 2011 | 2:52 pm

(14) (7) Comments (20)

The most depressing part of the sordid Charlie Sheen saga is how little we've heard from his supposed friends, who by now should have rounded up an intervention posse to help the out-of-control actor get some help for his addictions. But Sheen, like all too many TV and movie stars, is surrounded by a flock of enablers.

Actually, that starts with the broadcast media, who, despite Sheen's long history of drug abuse and violence toward women, continue to give him every platform available to protest his innocence, as well as the online media, who continue to milk his story for every last hit and page view possible. But of course there are also the weaselly showbiz handlers, as the New York Times pointed out today, who seem happy to keep the Sheen Money Machine humming along as long as it churns out paydays for everyone involved.

People in Hollywood are buzzing over the latest news that CBS has officially dumped Sheen from "Two and a Half Men." But everyone has also been quietly expressing amazement over the brutally candid quote in the Times from Tom Arnold, who's been a leading force for good in recent years in movieland's recovery community. Arnold said that he recently approached one of Sheen's coterie of support personnel, saying, "This guy is in serious trouble with serious drugs. We've got to help him." He was told to butt out, with the handler saying, "We can make a lot of money from him. I can't be part of [any intervention]."

As if that wasn't bad enough, Dallas Mavericks and Landmark Theatres owner Mark Cuban has now jumped into the fray, telling ESPN that he's been talking with the troubled actor about developing a show for Cuban's HDNet cable network. "I reached out and we've had some conversations, and we're going to work on some things," said Cuban, who added that he's discussed with Sheen the possibility of the actor hosting a talk show or starring in a reality program on HDNet. "It comes down to what he wants to do and what his situation is.... But it's a unique opportunity, I'll say that."

# 1 Trick of a Tiny Belly: Reporter Loses Her "Belly" Using 1 Easy Tip

As part of a new series: "Diet Trends: A look at America's Top Diets" we examine consumer tips for dieting during a recession

- The Real Dangers of having a Toxic Colon

Julie investigates the HCA Cleanse diet to find out for herself if this super diet works.

( Piscataway ) - HCA is the latest weight loss fad and with many positive University studies out, is gaining huge momentum in the diet world. It is extracted from the so called super fruit Garcinia Cambogia and has been getting a lot of international attention. And like you have probably already seen; they are all over the internet in blogs and success stories of people who have apparently used the pills and lost a ton of weight.

But we here at Daily Health 6 are a little skeptical and aren't sure that we've seen any real proof that these pills work for weight loss. So we decided to put these products to the test. What better way to find out the truth than to

conduct our own study?

To get started, I volunteered to be the guinea pig. I applied for a free trial of the [LeanSpa with Pure HCA](#). While there are ton's of ads for HCA online, [LeanSpa with Pure HCA](#) is one of the most credible and trustworthy suppliers on the market. The HCA used are in their purest form unlike other competing supplements. Artificial HCA is what is used in most supplementents and is uneffective, LeanSpa gets it's HCA directly from the Garcinia fruit and is the only supplement that does so. It included the free trial of the product and it did not try to fool me into agreeing to additional hidden offers. Another reason why I chose [LeanSpa with Pure HCA](#) is because it is the most concentrated and purest garcinia products on the market. This would give me the most accurate results for my test.

Here is what LeanSpa with Pure HCA claimed on their website...

- Up To 4 Times More Weight Loss Than Standard Diets
- Boosts Energy without the 'jitters'
- Burn Calories
- Boost Immune System
- Rich in Antioxidants
- Pure form of HCA (very rare)

We were pretty skeptical, but wanted to find out for ourselves if this product could actually do everything that it claimed. Most of the success stories talk about combining HCA with colon cleansing products to achieve maximum weight loss. I decided to do the same. The idea behind combining the products is that while the [HCA](#) encourages weight loss and increases energy, the colon cleanse helps rid your body of toxins and allows your body to work and burn calories more efficiently. I chose [LeanSpa Cleanse](#) to test.

Julie Ayers, our Health and Diet columnist, recently put the HCA Cleanse Diet to the test. After four weeks of testing the effects of America's Newest Superfood combined with a Colon Cleanse, she has reached the conclusion to what this diet is all about, and the results were surprising.

She lost 25lbs in 4 weeks.

The benefits of the HCA Cleanse diet beat all of our initial skepticism. We found the diet not only with weight loss, but it seemed to boost energy levels, and also helped Julie sleep better and to wakeup more rested.

Here is what LeanSpa Cleanse claimed on their website...

- Helps Eliminate Bad Toxins that have Built Up Over the Years
- Removes 'Sludge' from the Walls of the Colon
- Helps Get Rid of Gas and Bloating
- Helps to Regulate the Metabolism

And the LeanSpa Cleanse, like the HCA, had a free trial with a 100% satisfaction guarantee and had no hidden offers.

### Putting HCA to the Test

Both the [LeanSpa with Pure HCA](#) and [LeanSpa Cleanse](#) arrived within 4 days of having placed my order online for the free trials.

The bottles I received held a month's worth of pills which worked out perfect as I was to follow the supplement routine for 4 weeks time and document my progress throughout.

### My Test

#### 4 Week HCA Diet: LeanSpa with Pure HCA + LeanSpa Cleanse

- [Take one LeanSpa with Pure HCA pill per day](#)
- [Take one LeanSpa Cleanse pill per day](#)

#### My Results

##### Week One

After one week on the diet using both products I was surprised at the dramatic results. My energy level was up, and I wasn't even hungry, an apparent side effect of the HCA which curbs the appetite.

I honestly felt fantastic.

And I didn't even change anything about my daily routine. On day 7 I got on the scale and couldn't believe my eyes. I had lost 9 lbs. But I still wasn't convinced as they say you lose a lot of water at the beginning of any diet. I wanted to wait and see the results in the upcoming weeks. But it sure was looking up! I now weighed under 140 lbs for the first time in years!

##### Week Two

After two weeks of using both supplements, I started the week off with even more energy and was actually sleeping more soundly than before. I was no longer waking up during the night and tossing and turning because my body was actually able to relax (this is a result of getting rid of the toxins I think). Plus I still managed to lose another 7 lbs, putting me at an unbelievable 16 lbs of weight loss, in just 2 weeks.

I must admit that I'm starting to believe that this diet is more than just a gimmick.

##### Week Three

After 3 weeks all my doubts and skepticism had absolutely vanished! I am down, 2 full dress sizes, after losing another 6 lbs. And I still have a ton of energy. Quite often, around the third week of other diets, you tend to run out of steam. But with the LeanSpa with Pure HCA and LeanSpa Cleanse diet my energy levels don't dip, but remain steady throughout the day. I no longer need that cat nap around 3pm in the afternoon! And I am even noticing that my stomach is digesting food so much better. No bloating or embarrassing gas after I eat!!

##### Week Four

After the fourth week, my final results were shocking. I lost an unbelievable 25 lbs since starting the LeanSpa with Pure HCA and LeanSpa Cleanse diet! Actually everyone at Daily Health 6 is kicking themselves for not having volunteered to be the guinea pig. Using the [LeanSpa with Pure HCA](#) and [LeanSpa Cleanse](#) in week 4 I lost 3 more lbs. But to be honest I really didn't have much more than that left to lose. Given the results and the added

## LEANSPA CLINICAL RESULTS

Actual study participant results

**SEND ME MY TRIAL ORDER**

\*Graph depicts results from 3 individual study subjects out of 17 participants who completed the study. Other individual participant results varied. The study was an open label 60 day short term trial to assess safety and efficacy. LeanSpa continues to invest in research and is in the process of developing next phase research with a larger double blind placebo controlled trial.

## The Miracle of Garcinia/HCA

The power of LeanSpa's unique and clinically studied (-) hydroxyctic acid (HCA) is a powerful tool for reducing Fat and building lean Muscle. LeanSpa contains a highly bioavailable form of 65%, that is 100% soluble, all natural, safe and effective plant extract. In contrast, most products that contain HCA ingredients contain 50% HCA, are less than 50% soluble and less bioavailable.

Extracted from the South Asian fruit Garcinia cambogia and LeanSpa contains standardized levels of (-) hydroxyctic acid (HCA), which has been clinically shown to suppress appetite and inhibit fat production, without stimulating the central nervous system.

Not only does LeanSpa contain a more bioavailable and soluble form of HCA than other products, LeanSpa also provides more milligrams of HCA in its formulation. Each serving of LeanSpa contains 1500 mgs which has been clinically proven to reduce fat and build lean muscle.

LeanSpa's unique high strength HCA is just one of several of its key ingredients that supports the products effectiveness. The makers of LeanSpa believe strongly that the high cost investment in its unique HCA as well the blend and quality of LeanSpa's specialized ingredients is what separates us from the rest.

## Change Your Body with LEANSPA!

In a pilot study on 17 subjects, the LeanSpa Formula showed a significant, average weight loss over a 2-month period. More important, the change in weight was PROPER weight loss in that the subjects lost fat while gaining muscle. Under the usual dieting regimen, weight loss from dietary changes alone causes loss of muscle as well as fat.

Also, many weight loss/dieting regimens result in bone mineral loss, an undesirable outcome. This was not the case with LeanSpa. Much of the observed fat loss in this study occurred in the abdominal region, the area of most concern to physicians. Decreases in abdominal fat are important to

physicians who understand that accumulation of fat in this area seems to be closely associated with many chronic disorders, such as blood pressure elevations, diabetes, and perturbations of circulating lipids in the blood.

At least part of the weight loss in this study is accounted for by an 8% increase in basal metabolism, approximating over starting values. Notably, blood pressure and heart rate were virtually unchanged even though a significant increase in the basal metabolic rate occurred. Blood work revealed no significant adverse side effects, and various psychological testings suggest improvement in the quality of life and an improvement in healthy eating habits.

### Garcinia Cambogia

HCA works by blocking lipogenesis or conversion of starches and sugars into fat that is stored and increases our weight. HCA also lessens existing fat through increased breakdown. Additionally, HCA raises the levels of Serotonin that have a role in appetite regulation.

### Green Tea

Green tea helps promote fat burning and provides EGCG, a powerful metabolism booster and an essential anti-oxidant.

### 5-Hydroxytryptophan

5-HTP increases the production of serotonin. Serotonin is essential for weight loss as it is a brain chemical which controls appetite. Serotonin is the satiety or satisfaction chemical. When your brain makes more serotonin, your appetite is more readily controlled, for example your thirst is when you drink enough water.

### Chromium

Chromium may help to control type 2 diabetes or the glucose and insulin responses in persons at high risk of developing the disease. Additionally, chromium can have an impact on blood lipid levels. Studies indicate that chromium can decrease total and low-density-lipoprotein (LDL or "bad") cholesterol and triglyceride levels and increased concentrations of apolipoprotein A (a component of high-density-lipoprotein cholesterol known as HDL or "good" cholesterol)

### Acai

The Acai Berry has one of the highest antioxidant value of any edible substance in the world - 50 times that of red grapes!

### Caffeine

Caffeine acts as a dietary aid to promote increased fat oxidation and breakdown.

### Octopamine HCL

Octopamine HCL stimulates receptors involved in the processes of fat metabolism that directly cause fatty acids to be released from the adipose tissue and metabolized.

# EXPOSED: New Jersey Mom Makes \$8,000/Month And You Won't Believe How She Does It!

"Melissa puts her computer to work and makes money while working from home. She says that [Multiple Streams of Income](#) has helped change her financial life and recommends it to people as a good opportunity.

## Have You Ever Considered Working From Home?

Melissa Johnson from Piscataway, NJ never thought that she would work online, until curiosity got the best of her and she ordered a course from Millionaire author Robert Allen called Multiple Streams Of Income. Before she knew it, she discovered her secret to beating the recession, and being able to provide for her family while at home with her three children.

I read Melissa's blog last month and decided to feature her story in our weekly consumer report. In our phone interview she told me her amazing story. "I actually make about \$7,000-\$8,000 a month working from home. It's enough to comfortably replace my old jobs income, especially considering I only work about 15-18

hours a week from home.

A check Melissa recently received using the Multiple Streams of Income System

Working online has been a financial windfall for Melissa, who struggled for months to find a decent job but kept hitting dead ends. "I lost my job shortly after the recession hit, I needed reliable income, I was not interested in the "get rich quick" scams you see all over the internet. Those are all pyramid scams or stuff where you have to sell to your friends and family. I just needed a legitimate way to earn a living for me and my family. The best part of working online is that I am always home with the kids. Thanks to the Multipul Streams of Income Kit I am giving my kids the childhood they deserve."

I asked her about how she started her life-changing journey. "It was pretty easy", I saw an ad by Robert Allen about a course called Multiple Streams of Income. [I knew about Robert Allen from TV and knew he was legit, and since they offered a "365 Day Money Back Guarantee"](#)

Melissa Johnson is a regular mom who lost her job last year, and after an unsuccessful job hunt, she started working online. I interviewed her about her amazing story and she revealed her steps for success.

Step 1  
Go to [Multiple Streams of Income](#), and fill out the form to get instant activation.

Step 2  
Get [Robert Allen's Multiple Streams of Income Course](#) and complete the attached Ad Placement Associate

The course was really cheap, under \$100. I got the course and within six weeks I was making over \$8,000 a month. Its really simple, I am not a computer whiz, but I can use the internet. I follow Robert Allen's simple instruction. "I don't even have to sell anything and nobody has to buy anything". There are openings all over the country, you should try it."

The companies you work with are worth over 100 billion dollars and are the most used sites in the internet market place, like Amazon, Google, Walmart, Delta, Apple and more... You're using the top ranked sites in the world, over 50 percent of all internet traffic flows through them everyday. It's a great opportunity and this has been helping people work at home for over 5 years. Why not get in with the internets best and biggest companies?

there are plenty of scams on the internet claiming you can make \$50,000 a month, but that is exactly what they are scams. From my conversation with Melissa, "I am making a good salary from home, which is amazing, under a year ago I was jobless in a horrible economy. I thank God every day that I filled out that form."

Quickly, Melissa Johnson was able to use the simple Robert Allen's Multiple Streams of Income to make it out of the recession.

"I actually make \$7,000-\$8,000 a month from home." -  
Melissa Johnson

Melissa had never shared her story before, this is the first time she's going public

Here's how to get started:

Simon: you have to work and use the computer and internet, and if you can do that and dedicate some time each day then you can do this with no problem. I have been working with this for a month and have made over \$2,000 already. let me know if you need more help.

I'd just like to add my story; I think others would like to hear it. I too was always leery about work at home offers because they always seemed to be scams. But soon after hit by recession, I was a little frightened. I wanted to have a backup plan just in case. So, I took your advice and got my Robert Allen Multiple Streams of Income (cuz they offered a 365Day Moneyback Guarantee,) . It worked like a charm - I was earning money right away! I eventually did get laid off, just as I had feared, but since I had been using the the Robert Allen System I had money to fall back on. Now I'm doing better than I had at my job!

# FIND THE HIGHEST PAYING "NEW ECONOMY JOBS"

**With Mentor Robert Allen**

My simple, yet proven job strategies for generating unlimited income work - now let me take you by the hand and prove it!...

“On live TV I promised the world  
I would earn \$24,000 in 24  
hours from home, and... **I failed...**  
instead I 'CRACKED THE JOB  
CODE'  
and made \$94,532.44 in 24  
hours.

Robert Allen  
#1 NY Times Bestseller

I want you to look over my shoulder, so to speak and watch how I reveal a "new economy" high paying job for you in Provo... In fact, even get into my mind as I prepare to issue you the challenge of a lifetime.

"Why have you seen me all over the news on CNN, FOX News, CBS talking about the secret to finding these new economy high paying jobs? Because everyone wants to know how I have helped so many people all over the country create meaningful jobs in this changing economy. Let me show you how you can make more per hour than ever before..."

(Keep reading to learn the exciting definition of these "New Economy Jobs")

"Time and time again, I've proven to America that my strategies work... that means one thing: I take ordinary people (some of them right out of the unemployment line and some right out of Regis Philbin's studio audience) and show them exactly what to do to create multiple streams of "major" income - and then they do it!"

"And with the release of the 2nd edition of my book, 'Multiple Streams of Income' I'm on the prowl again - looking for a small, select group of ordinary people who want my help in creating their wealth like I have for countless others! If you qualify, there's only one small, reasonable catch:

"I will use your new cash flow success story in my upcoming promotions. So if you can live with that 'catch' - then you must stop everything you're doing and read the rest of this letter right now..."

- ▶ Do you believe that you should be making more than you are making right now?  
☐ Yes ☐ No
- ▶ In you opinion, does a job mean something different today than in the 1980's?  
☐ Yes ☐ No
- ▶ Do people who own their own businesses make more than most employees?  
☐ Yes ☐ No
- ▶ Can people working from home with the right companies make as much or more than those working at the office?  
☐ Yes ☐ No

If you answered "YES" to all of the questions above then congratulations, we have a lot to talk about with no time to lose. These "New Economy Jobs" are available in Provo now and these positions are being snatched up as we speak!

## My "New Economy" High Paying Jobs Challenge is now under way!

start bonus! I'm only looking for serious people that really want significant change in their financial future.

## Dear Friend Seeking Financial Independence and Personal Freedom,

Hi. My name's Robert Allen. I'm the author of two of the best selling financial books in history; both New York Times best sellers:

- ▶ **Nothing Down**
- ▶ **Creating Wealth**

My books have sold over 2.5 million copies, over 250,000 people have attended my wealth seminars, and I've accepted challenges by the press and have proven time and again that my money making strategies work.

In fact, recently I was challenged again on national TV. It was in front of a live audience. I was challenged to take someone from Regis Philbin's studio audience and teach them my wealth building strategies - and guess what?

**Pat Watson made an average of \$222 a day. That was just extra pay she earned during this public challenge. What could you do with an extra 200 bucks a day?**

Listen, you've heard all the "get rich now" claims... and you're sick of seeing them! The fact is most of those people who "claim" to know how you can make money - haven't made much money themselves... let alone taught others how to do it!

The difference between "them" and me is that I've proven my strategies time and time again in the national limelight - and my systems truly work. I will warn you that yesterday's strategies will not work to get today's "New Economy" jobs. Together with my successful students we are redefining what jobs really even mean.

# JOBS IN AMERICA REDEFINED

▶ Yes! I am leading America's work force to rediscover what it means to have a job. What does a job really mean? In the past jobs meant stability, loyalty and never worrying about being downsized. This is not longer the case! I am defining "a job" as a way to create unlimited, stable income for yourself through your own venture from home.

**You can get paid directly by big companies that are outsourcing their product placement to people like you.** This is where our economy is going and I want to show you how to be in the right place at the right time for these jobs. They are going fast!

Work for companies like:

- ▶ **Walmart**

▶ **DELTA**

▶ **AND MUCH MUCH MORE!**

▶ **APPLE**

▶ **Toys R Us**

In my system I will teach you how to get paid for placing ads for companies like **Apple, Delta, Wal-Mart, Toys R Us and many, many others.** You do not need to manage products, employees or even talk with customers. Many of my students do this with only a short commute from their bedroom to their kitchen table.

FTC-000539

Schools Att. J  
Page 20 of 23

I will show you how to partner with multiple companies that will pay you for your services. These are the "New Economy jobs", working for yourself while partnering with major companies that pay you for your services.

I know who these companies are and how to get paid the highest compensation possible. This is why so many are turning to me because I can show you the ins and outs to get these high paying "New Economy jobs"!

Right now, America and I need you for my "New Economy" High Paying Jobs Challenge to share your story of upcoming success and income to those who need hope - all across the United States.

Let me tell you about a few of my "High Paying Income Challenges"... This is where I put my money where my mouth is

I told the Mayor of St Louis Missouri (the "Show Me" state):

"Send me to any unemployment line. Let me select someone who is broke, out of work, discouraged. Let me teach him in two day's time the secrets of wealth, and in 90 days he'll be back on his feet, with \$5,000 cash in the bank, never to set foot in an employment line again."

I selected a young couple from the unemployment lines of St. Louis, Missouri. Ninety days later they earned \$5,000 using one of my techniques, and....

Within 12 months they had earned over \$100K!

My proudest moments are when I coach "starving millionaires" (people who should be millionaires – but aren't) on wealth building strategies – and see them achieve extraordinary results, again and again!

I've done these same challenges in other major cities- Washington, D.C., Miami, Boston, San Diego, and New York - all with similar results!

This brings me to my next challenge in which I took all of the hype out of the high-powered profit potential of the Internet, and decided to make it a reality for my students. I said:

**"Sit Me At Home Computer In My Bathrobe, And I Will In 24 Hours, Earn At Least \$24,000 with a 'New Economy Job'!"**

I got myself into the "life or death" mindset – and I went to work...

I started my internet challenge at exactly at 12:38 PM in front of live television, I held my breath, and turned my system on and signed on to the internet...

In 6 hours and 11 minutes I had generated \$46,684.95

Then I went to sleep... and when I woke up the next morning and checked the computer - (with camera's rolling):

The total was now \$78,827.44

This was exciting because I knew I still had four hours left! That afternoon, 24 hours after the challenge had begun...

**The Total Had Grown To...\$94,532.44  
In A Mere 24 Hours!**

Why do I tell you all of this?

Well – it's certainly not to brag... but it's to prove that the best high paying jobs out there are the ones you create for yourself! The old days of job security and retiring with a gold watch are in the past. Stop fighting over a \$1 raise with your coworkers and do something that makes you fulfilled and happy. You can do it and I will show you how with my Multiple Streams of Income from Home system.

I will be at your side helping you create you own "new economy" High Paying Job...I guarantee it. As a matter of fact I have a lot to lose if you don't.

And since I'm ready to announce my next challenge, I thought you'd like to hear my success story -

**FTC-000540**

Schools Att. J  
Page 21 of 23

and how I can help you regardless of where you are in your financial life.

So here's my newest challenge:

"Send me a group of people who want a high paying job. Let me teach them my proven, Multiple Stream of Income from Home strategies and in 90 days, they will have developed more money from home than any job they could have landed. Eventually these people will learn that the best way to get a high paying job is to create their own by partnering with companies that will pay them for their services."

That's my newest challenge – and I want you to be a part of it.

You have everything it takes to break the mold of an average income earner – but you just need to decide to do it!

Listen, I know the reason you're still reading this letter is because you believe there still is hope – there's still a chance... a glimmer of hope that you CAN be a millionaire.

Here's how to get going:

You get everything for a small one-time registration fee of just \$97. Simply click [here](#) and you'll be taken to my totally secure "Risk Free Request Form".

Risk free?... that's right - my whole proposition is entirely risk free - and you have absolutely nothing to lose. Take a look...

#### A 365-Day, "Iron-Clad" Guarantee

Download my program. Read it and try it out...and...put my proven methods to the test. If after taking action on any of my proven methods, you aren't satisfied with the results (within 365 days of purchase), I'll gladly refund your full purchase price of \$97

No hassles and no hard feelings.

REMEMBER—I need your success story for my upcoming promotional "New Economy" high paying jobs tour so I have a VERY strong interest in making sure that this program works for you!

The worst that can happen is you'll break even, since you can receive a FULL refund of your \$97.

It gives you more control of personal and financial freedom than ever before.

Consider this: If your life continues in the same direction it is now...

- ▶ Will you honestly be where you really want to be one year from today?
- ▶ Will you honestly be any closer to financial freedom?
- ▶ Will you be manifesting your dreams?

If you don't like the answer you get... you must allow me to help you do something to change it.

For you to get different results in your life, you've got to do something different.

Sure, you can go ahead and punch the time clock, or keep putting in those 14-hour days at work. And you can hope and pray that "somehow" you'll get ahead.

But why put yourself through it all?

Why not invest in yourself – and learn how to create as many income streams as you desire? With this program in your hands you'll discover the real secrets to generating true wealth and personal freedom. Think about this:

\$97 is a painless drop in the bucket compared to the money you'd be missing-out on if you choose not to get this course. Looking at it that way...

If you don't take action now while it is fresh in your mind, then - when will you?

## State rep to call for Ackerman's removal

My colleague **Martha Woodall** has this breaking news:

A state representative from Northeast Philadelphia who has criticized Superintendent Arlene C. Ackerman will call for her removal on Thursday.

"Every day she is there she is doing irreparable harm to the school district," State Rep. Michael McGeehan, D-Phila., said Wednesday night.

McGeehan said he will call on Gov. Corbett to urge the Philadelphia School Reform Commission to fire Ackerman.

"I'm going to call on the governor to call on the SRC to terminate her contract immediately," McGeehan said. "It serves no one person — save her — to stay one day longer."

The district is facing a \$629 million budget shortfall after July 1, and on Wednesday district officials announced that they will have take \$25 million in reserves to balance the current \$3.2 billion, as well.

"We have reached the tipping point," McGeehan said, adding that Ackerman has no credibility in Harrisburg and her continued presence at the district's helm harms "the district's ability to deliver a consistent and believable message to Harrisburg about funding."

Four months ago, McGeehan held a news conference in front of the district offices to raise questions about district's procurement practices and Ackerman's decision to suspend six senior executives while the district investigated leaks about the awarding of an \$7.5 million no-bid emergency contract to install surveillance cameras.

"I hoped things would get better, but instead it's much worse," he said.

As a result of the state takeover of the district in December 2001, the governor appoints three of the five SRC members; the mayor appoints two.

Corbett has yet to select a replacement for David F. Girard-diCarlo, the lone Republican on the commission who resigned in February.

## Half of N.J. residents financially worse off than a year ago, poll finds

Nearly one in two New Jersey residents said their financial situations have worsened over the past year, according to FDU's quarterly PublicMind Poll.

One in two New Jerseyans say they are financially worse off than a year ago, a sign the state is still reeling from the effects of the recession, according to a **poll** released today.

Forty-five percent of residents said their financial situation has deteriorated in the last year, just a slight improvement over the 48 percent **in January**, according to Fairleigh Dickinson University's quarterly PublicMind Poll. Only 26 percent said they were better off, essentially unchanged from the last quarter.

"The economy has picked up but very slowly and unevenly. This makes New Jerseyans cautious," said Sorin Tuluca, a professor of finance at FDU's Silberman College of Business.

Income and age appear to be the main dividing factors, with younger and wealthier respondents more likely to say their financial situations had improved. This is because younger workers are generally better prepared to take new jobs when the market improves, Tuluca said, while wealthier residents tend to see their finances rebound with the value of their investments.

"Every recession tends to take everyone down together, but every recovery doesn't take everyone up at the same time," he said.

Still, most residents expressed some concerns about inflation. Nine in 10 respondents said they are worried about increased consumer costs, a trend Tuluca attributed to rising prices in supermarkets and at gas pumps.

## Kobe Bryant: Words aren't 'license to degrade or embarrass or tease' others

By Cindy Boren

Fined \$100,000 by NBA Commissioner David Stern for a [homophobic slur](#) he made to a referee Tuesday night, Kobe Bryant said he was caught up in the emotion of the game.

What on earth did Bryant mean as he lobbed his comment at the ref as he went to the bench after drawing a technical in the Lakers' victory over the Spurs?

"Obviously, you know, nothing to that effect," Bryant said in an interview on "The Mason & Ireland Show" on ESPN 701 late this afternoon. "The concern that I have is for those that follow what I say or are inspired by how I play or look to me as a role model, whatever it is, for them to not take what was said as something — as a message of hate or a license to degrade or embarrass or tease. Because that's something I *don't* want to see happen. It's important for me to talk about that issue because it's okay to be who you are."

Bryant wasn't complaining about the fine. "You've got to own up and just take responsibility for what it is. I'm not going to sit here and say it's not warranted, this that and the other. It's a judgment call that they decided to make and I abide by that."

Bryant said that he was thinking about one thing: the game. "I was thinking about the game. I wasn't thinking about anything else," Bryant said, with a laugh. "I was thinking about the game and thinking about, you know, damn, I'm sitting on the bench and this is a big game for us [the Lakers had lost five a row]. We need to win it. ...

"I was *in* that moment. I was in the moment and the emotions, obviously, of the game. Being wrapped up in the moment and having those outbursts is totally normal and hopefully other players look at what happened with me and what I said and understand that. If you have cameras around the league and there's a lot of things being said that should not be said so hopefully we all kind of learn from this experience and follow suit."

Stern dealt swiftly with Bryant, with the fine coming down as the Lakers were in Sacramento for the regular-season finale. "Kobe Bryant's comment during last night's game was offensive and inexcusable," Stern said in a statement released by the league. "While I'm fully aware that basketball is an emotional game, such a distasteful term should never be tolerated. Accordingly, I have fined Kobe \$100,000. Kobe and everyone associated with the NBA know that insensitive or derogatory comments are not acceptable and have no place in our game or society."

Bryant's comment was condemned earlier in the day by the Human Rights Campaign, the largest lesbian, gay, bisexual and transgender civil rights organization, and the Gay and Lesbian Alliance Against Defamation.

"For better or worse, Kobe Bryant has created a teachable moment for the millions of fans — many of them young — who saw that outburst on the floor," HRC President Joe Solmonese said in a statement released by the organization. "And the right thing to do now is to apologize and take responsibility for suggesting that the worst thing you can do to someone is to scream out a gay slur. This kind of homophobic outburst has dangerous consequences, even more so when it comes from a celebrity in the national spotlight."

GLAAD President Jarrett Barrios said in a statement: "Discriminatory slurs have no place on or off the court. Professional sports players need

# Likely 2012 Candidates Pile on Obama Over Budget Speech

Though Republican candidates have been slow to formally enter the 2012 presidential race, the reaction to President [Obama's](#) budget speech Wednesday should leave no doubt the race for the [White House](#) is under way.

Several likely, but undeclared, GOP candidates were swift to condemn the president's plan. Obama vowed to cut \$4 trillion from the deficit over 12 years, through a combination of spending cuts and tax hikes on high-[income](#) Americans.

"Today's speech was nothing more than window dressing," former Minnesota Gov. [Tim Pawlenty](#) said in a statement.

Former Massachusetts Gov. [Mitt Romney](#), who just launched an exploratory committee and is positioning himself as the business-savvy alternative to Obama, went directly after the president's plan to raise taxes.

"President Obama's proposals are too little, too late. Instead of supporting spending cuts that lead to real deficit reduction and true reform of [Medicare](#), [Medicaid](#), and [Social Security](#), the president dug deep into his liberal playbook for 'solutions' highlighted by higher taxes," Romney said.

Other potential candidates took to [Twitter](#) to express their outrage, mostly on taxes.

"President Obama doesn't get it: The fear of higher taxes tomorrow hurts job creation today," Mississippi Gov.

[Haley Barbour](#) tweeted.

"Unbelievable -- President Obama blaming deficit on [tax cuts](#)! We do NOT have a revenue problem; we have a spending problem," wrote [Gary Johnson](#), the former New Mexico governor who is expected to soon throw his hat in the ring.

Even the California [Republican Party](#) weighed in, accusing the president of trying to "tax our way out of deficit."

Obama made reference to the 2012 candidates in his address at George Washington University, noting that they were championing the GOP budget proposal outlined by Rep. [Paul Ryan](#), R-Wis.

He challenged that proposal as unfair to seniors and the poor, and said he wanted to take a more balanced approach by rolling back the [Bush tax cuts](#) on those making above \$250,000. He acknowledged the political difficulty in doing so.

"Without even looking at a poll, my finely honed political instincts tell me that almost nobody

He distorts the facts to get what HE wants, he dismisses any idea other than HIS own, HE and only HE knows what is good for us. Thank God we are not dumb sheep following each other over the cliff, or are we?? Hmmm.....

In reply to jdurf : I am an economist. In the interest of keeping things short and simple since that is what you are...err uh I mean understand. While tax rates haven't increased YET under Obama, there is a hostile and uncertain business climate since Obama took office. This has resulted in corporations hoarding their cash. By hoarding they are not making capital investments, they are not expanding operations and they are not creating jobs. In fact they are reducing their work forces. The high unemployment has decreased disposable income for purchases and reduced revenue for the government. This has created what, about \$4T in additional deficits since Obama took office. Corporations know just like we do that this is unsustainable and ultimately will lead to financial collapse and or HIGHER tax rates (already the highest in the industrialized world). We have become a service based economy as it is. How hard would it be to pack up your money and perform your services overseas? (I'm not talking now about the corporations but the wealthy who work for them). There goes even more revenue. Just look at New York for an example, the wealthy are moving from there in droves, because they have the highest tax rates in the country. Small business can't borrow any money to expand their operations because the federal government is borrowing every available dollar, so they can't create any jobs. And don't kid yourself, we are paying higher taxes since Obama took office. Energy taxes, tobacco and fuel are just a few of the taxes that have been raised, and who do you think really pays those.

The answer is not higher taxes, it is less federal control and spending. Reagan proved it. Governments don't create jobs, corporations do. Obama is a bozo and needs to go, he hasn't done ANYTHING right since he took office.

"Without even looking at a poll, my finely honed (RIGHT!!!! WHAT A JOKE) political instincts tell me that almost nobody believes they should be paying higher taxes," Obama said. DUH!!! we've had it with your socialist agenda - CUT, CUT, CUT.... you moronic imbecile!!!

Can I, please, get someone to explain why the same tax rates under Reagan are praised, but when Obama suggests it, it's Socialism? Seems a little hypocritical to me.

[Flag](#)**jeffrey60** 34 minutes ago

For all the talk about this guy can't win, that guy can't win, well then, who can? Ronald Reagan isn't here! All we have to do is look in the mirror, because this President won with 20% of you so called conservatives voting for this guy just to prove a point. Gee, thanks alot! This is what happens when all of you my way or the highway voters vote. It's called southern stupidity!

[Flag](#)**vliggett** 32 minutes ago in reply to jeffrey60

On the bright side, I believe anyone can win over this idiot. The independents will never vote for him. ABO = anybody but obama.

Julia investigates "Surplus" auctions, like Bid Rivals, to find out if this system really works.

Julia Duvaile - November 2nd, 2010

Surplus auction websites are a new phenomenon that is quickly spreading through North America and Europe (like you have probably already seen). They are all over the internet in blogs and success stories of people who have apparently bought expensive items at very little cost. Here at The Washington Review we were very skeptical of whether or not these surplus auction sites were real. We decided to put them to the test. What better way to find the truth than to conduct our own study?

I wanted to buy a new HDTV, so I was put in charge of the test.

First, I did a ton of research on the subject to find out which surplus auction site was the most trustworthy and ultimately would be best suited for my test. After hours and hours of research I came to the conclusion that [Bid Rivals](#) was best because of its wide variety of products and great reputation. The way these auction sites supposedly work is that you buy bids to bid against others in auctions. If you win, you get to purchase the item at a reduced price. [Bid Rivals](#) had a new promotion, for a limited time, they are giving out 100 bonus bids on signup. This created an ideal situation for me, giving me the bids necessary to thoroughly test the site. This promotion is to help spread the word about shopping with [Bid Rivals](#) and show people how much they can save with surplus auctions.

#### Wondering How Bid Rivals Can Provide Such Deals?

[Bid Rivals](#) gets their items from warehouse closeouts, surplus auctions, and liquidation clearance auctions. This is how they can offer such low prices in comparison to retail outlets.

#### What Do They Put Up For Auction?

I've seen everything from cars to phones, computers, laptops, TVs, cameras, stereo equipment and pretty much anything you can think of.

#### Putting Bid Rivals to the Test

After going through a simple registration process on [Bid Rivals](#), I got my bids and began to try and win items listed up for auction. Before registering, I was still a little confused about the whole process - but after registering everything became clear.

georgeman12 Won a \$1,199 Gold MacBook Air On [Bid Rivals](#) for \$68.37!

Hot Deals and Shopping Trends writer Julia of The Washington Review team recently put [Bid Rivals](#) to the test and the results were very surprising.

She saved \$2,112 Off Retail

[Bid Rivals](#) beat all of our initial skepticism. People now can really get 95% off retail, which is quite amazing to say the least.

I began to bid on the item I was after, a 42" Panasonic LCD TV. Surprisingly, I won after a very short period of bidding. It cost me only \$67.50 total for a \$899 HDTV!

To make sure this wasn't a fluke, I decided to try again to see if I could win another item - again, to my surprise I won yet again - this time the savings were bigger! I ended up spending \$163 for a \$1,199 MacBook Pro. Very impressive, and I don't think stores can match such deals!

Shipping - after I won the products and paid for them - I received the items in only a few days. Within a short period I had my items in hand. Simply amazing.

## My Full Experience With Bid Rivals\*

### Week One

Research on the surplus Auction system and how it works, and how you could legitimately get 95% off retail prices. You buy bids to bid against others in auctions. If you win, you get to purchase the item at a reduced price. I saw there were many users who won multiple auctions and knew with the right strategy that could be me.

### Week Two

After finding that Bid Rivals was the most legitimate surplus auction site around, I decided to register with the promo code and claim my 100 bonus bids. I messed up on my first try, and didn't win the auction, but it didn't cost me much, so I continued to try to really find out if this system works.

I developed my system. I started to look for an auction that didn't have a lot of bidders. Typically these were the auctions taking place between 2am-5am EST.

### Week Three

After some trial and error, I was able to win my first auction. After that, I decided I'd try again and see if it was possible to win more than once in a row. This possibility became a reality, and I won my second auction. After this, my bids were mostly spent, however I was VERY EXCITED to see my cheap items being shipped!

### Week Four

I received my items, and they were in mint condition. Packaging was very good. I will never use a regular auction site again! I still can't believe I received these items for such a discounted price!

I couldn't be any happier with the results.

## A Step-By-Step Guide To Bid Rivals

## High Dividend Energy Stocks to Buy Now

Posted by: cafeanant on: January 19, 2011

In: [US News](#) [Leave a Comment](#)

### High Dividend Stocks – Energy Stocks

Alternative energy companies deal with lots of money and their shares can mean high dividend [stocks](#). The companies would be involved in various areas of the energy sector ranging from oil, gas to service companies. The companies that are huge with a market cap >\$500 million pay annual dividends of 8% to 10% to their stock holders.

For example:

- Encore Energy Partners – company produces oil and natural gas in Big Horn Basin in areas of Montana and Wyoming, Permian Basin in West Texas and New Mexico, Williston Basin in North Dakota and Montana and Arkoma Basin in Oklahoma and Arkansas.
- MV Oil Trust – has net profits in oil, natural gas in Colorado and Kansas. They have approximately 1000 oil and gas producing wells.

### Solar Energy Stocks – To Invest or Not

Solar stocks are comparatively new additions to the stock market. These stocks seem to be good investments in this post-recession times. Some of the best solar stocks to buy now would be SPWRA, STP, FSLR, LDK, SOEN, JASO-JA etc. Solar energy sector is in its growth phase and this would be the ideal time to invest in them. Even though new limitations have been drawn up for these companies in terms of solar energy research, solar installations in homes and businesses etc, due to the economy crisis, the need for sustainable energy is a persistent concern and before long all the solar energy companies would resume their research activities in full swing. Once the economy finds a foothold, unparalleled growth is expected in these company and subsequently their solar stocks.

Solar power can be used to for a number of activities like recharging batteries, running home appliances etc. If you plan to invest in stocks of solar companies, make sure that you do your homework thoroughly. Research companies and analyze their stock performance over a period of time. Due diligence is mandatory for any investment in the stock market. Solar stocks have a higher element of risk involved due to nature of industry but in future solar stocks have huge potential to do very well as sources of alternative energy become a global priority.

### Short Term Investments in Energy Stocks

Alternative energy technologies have potential to transform global economy and this should precisely be the reason why energy stocks are so lucrative. If you are planning only short term investment in energy companies, you can

opt for lesser known companies which would give you quick profits when they grow. Your initial investment would be low and your expected profits high. Some of the energy companies worth investing in are Alstom, General Electric, Bouygues, Johnson Controls, Toray Industries, Areva, Peabody energy, Canadian Oil Sands Trust, Consol Energy, Zoltek etc.

Stock Investments and Technical Analysis

Stocks of any kind, whether gold stocks, energy stocks or company stocks are all prone to the risks of the market. There are no safe investments in the stock market. The element of risk is the specialty of the market trades and any one ready to brace them will meet with sure success. Financial know how of the market and its working methods along with fair knowledge about the world stock markets are mandatory for a beginner. The Dow Theory is the basics of all stock technical analysis as we know today and how to use the technical analysis tools is necessary if you are planning to do some serious stock investments.

## First Comedy Club In India

Posted by: cafeanant on: December 16, 2009

In: [Media](#) | [India News](#) | [Art Forms](#) | [Comedy](#) [Leave a Comment](#)

Comedy Clubs where stand up comedians perform in front of an audience are commonplace in the western world. In fact, this culture has become so popular in certain places like London that there is cut throat competition between different comedy clubs in London (get more information on [comedy store london](#)) and organizers are constantly innovating and enhancing their services to attract customers.

Apart from comic acts, stand up performances, magic shows and musical performances, these comedy clubs also have restaurants and bars to entice customers to come in groups and enjoy an entire evening of fun and laughter.

Following are 2 videos showing the kind of stand up acts that are performed in comedy clubs:

Frank Deuring at Lion's Den Comedy Club in London

Although, this is a popular concept for western audiences, countries like India are just starting to discover this option for recreation and business. In India, it is easy to find a therapeutic morning laughter club, where all the oldies gather in the wee hours of the morning to boisterously laugh out their stress and tensions, but very difficult to imagine a place where stand up comedians perform live every evening.

Recently, Indian television has seen a growing trend of successful laughter competitions and comedy shows where comic artists from across the country perform different kinds of acts and compete with each other. This is somewhat creating awareness about stand up performances and about how difficult, challenging and entertaining live acts are.

Looking at this growing awareness about live comedy in this part of the world and also in order to explore new markets outside the highly competitive UK market, The Comedy Store, a renowned UK based comedy club, is opening India's first comedy club in Mumbai. The Comedy Store already has 2 venues in London and Manchester and would be opening its first international branch in Mumbai at the Palladium Luxury Shopping Mall at High Street Phoenix in Lower Parel on January 14th, 2010.

The owners have big plans for their first international venture and plan to make the Mumbai outlet as good as their London and Manchester venues, if not better. The club has a budget of 2.5 million pounds or 19 crore rupees and is a joint venture between the UK based The Comedy Store and the Gurgaon based The Spa Group. The club will have a restaurant, a bar and a huge auditorium which will accommodate 325 people. There will also be a parking lot for upto 300 cars.

By opening India's first comedy club, The Comedy Store hopes to create a market for stand up comedy in India, just like it did in London over 30 years ago. When it started, The Comedy Store was the first of its kind in London and now there are over 300 clubs where one can watch stand up comedy and enjoy a fun-filled evening.

## GETTING STARTED

CX Digital Media is a network of merchants' affiliate programs. With CX Digital Media, you may participate in multiple affiliate programs via a single affiliate account. There are over 150 different content areas where merchants list their offers, so matching a merchant offer to an affiliate's content is quite simple.

Affiliate marketing is any type of online advertising or marketing where the merchant pays affiliates for results as an alternative for paying to reach a targeted audience. Affiliates promote merchant's products and/or services via their website or newsletters in exchange for commission revenue, generated by their marketing efforts.

- Participating in CX Digital Media is a simple procedure:
  - **Join Programs** - Select merchants campaigns you want to promote.
  - **Create Links** - Copy and paste the HTML or creatives for merchants whose programs/ campaigns you selected.
  - **Run Reports** - Review real-time statistics to see how effective your programs are.

 As of April 10, EWA is only accepting (12) new affiliates!

# Advertisers

Unlike other networks, our affiliates are referral-only approved to provide the highest possible quality leads. We have some of the largest and most credible email marketers, media buyers, and search engine marketers in the industry. In addition to our large affiliate user base, we operate a multi-million dollar internal operation generating sales through paid search, media buys, social media, organic traffic, pops, and contextual traffic.

We understand advertiser quality metrics and have the resources to not only provide immense traffic, but optimize your advertising campaigns to be the most profitable. With EWA you only pay for results on a CPA pricing model to ensure you only pay for what you want. We guarantee you customers, not clicks:

- ✓ We send our advertisers 120,000,000 visitors each month!
- ✓ We drive over 1,000,000 conversions each month!
- ✓ Our global reach extends to over 180 countries!

To sum it up....

we make advertisers rich
